**Request:**

- 1) The Government guidance states: "Whilst LAs are under no specific legal obligation to maintain a list under section 167, the Government recommends strongly that they do so. Without such a list the requirements of section 165 of the Act do not apply, and drivers may continue to refuse the carriage of wheelchair users, fail to provide them with assistance, or to charge them extra."  
Please can you indicate whether you do now have a list of wheelchair accessible taxis under your powers set out in Section 167 of the Equality Act 2010, and/or a list of wheelchair accessible private hire vehicles?

*A list of vehicles which are wheelchair accessible has not yet been published. It is intended to do this in the near future.*

- 2) If you do now have such a list, please provide information in response to the following questions 2a) to 2j):

2a) On what date was it put in place? = N/A

2b) The statutory guidance states "The Government therefore recommends that a vehicle should only be included in the authority's (S167) list if it would be possible for the user of a "reference wheelchair" to enter, leave and travel in the passenger compartment in safety and reasonable comfort whilst seated in their wheelchair."

Is this the definition you have used for a taxi or PHV to be considered wheelchair accessible for the purposes of the list? = N/A

2c) The statutory guidance states: "Before drivers can be subject to the duties under section 165 of the Act, the LA must first publish their list of designated vehicles, and clearly mark it as 'designated for the purposes of section 165 of the Act'. LAs should ensure that their designated lists are made easily available to passengers, and that vehicle owners and drivers are made aware. Lists should set out the details of the make and model of the vehicle, together with specifying whether the vehicle is a taxi or private hire vehicle, and stating the name of operator."

Have you published your list? Is it marked "designated for the purposes of Section 165 of the Act"? Is the make and model of each vehicle listed? Is each vehicle identified as a taxi or a private hire vehicle? Is the name of the operator of each vehicle given in the list? Have you made owners and drivers of vehicles on the list aware that their vehicle has been listed?

*The list has not yet been published*

2d) The guidance states: "it would also be helpful to include information about the size and weight of wheelchair that can be accommodated, and whether wheelchairs that are larger than a "reference wheelchair" can be accommodated."

Does your list include information on each vehicle as to the size and weight of wheelchair that can be accommodated, and whether wheelchairs larger than a "reference wheelchair" can be accommodated?

*The list not has not yet been published*

2e) The guidance states: "We encourage LAs to provide drivers of taxis and PHVs who are not exempt from the duties with clear guidance on their duties with respect to the carriage of passengers in wheelchairs, either as part of existing driver-facing guidance, or as supplementary communication."

Have you provided non-exempt taxi/PHV drivers with such guidance?

*Yes. The North Tyneside Hackney Carriage and Private Hire Policy makes reference.*

2f) The guidance states: "We recommend that licensing authority rules for drivers are updated to make clear when a meter can and cannot be left running".

Have you updated such rules to make this clear?

*Not at this current time*

2g) The guidance states: "Section 172 of the Act enables vehicle owners to appeal against the decision of a LA to include their vehicles on the designated list. That appeal should be made to the Magistrate's Court, or in Scotland the sheriff, and must be made within 28 days of the vehicle in question being included on the LA's published list."

Please tell me how many such applications have been made to the Magistrates Court, and how many have been successful.

The Guidance states; "the Act allows LAs to grant exemptions from the duties to individual drivers. These provisions are contained in section 166, and were commenced on 1st October 2010."

5a) How many exemptions have you granted under S166 of the Equality Act 2010?

*One*

5b) The guidance states: "We understand that some licensing authorities have already put in place procedures for accessing and exempting drivers, and as an absolute minimum, we think that the evidence provided should be in the form of a letter or report from a general practitioner."

Do you accept or require a letter or report from a GP to process applications for driver exemption under S166?

*Yes*

5c) The guidance states: "The Government's view is that decisions on exemptions will be fairer and more objective if medical assessments are undertaken by professionals who have been specifically trained and who are independent of the applicant. We would recommend that independent medical assessors are used where a long-term exemption is to be issued, and that LAs use assessors who hold appropriate professional qualifications and who are not open to bias because of a personal or commercial connection to the applicant"

Have you appointed independent medical assessors to determine applications for medical exemption under S166?

6) The guidance states: "We would therefore recommend that LAs also publish a list of vehicles that are accessible to passengers in wheelchairs who are able to transfer from their wheelchair into a seat within the vehicle. It should be made clear however that this list of vehicles has not been published for the purposes of section 165 of the Act and drivers of those vehicles are therefore not subject to the legal duties to provide assistance."
