Dear Mr Tindell,

Further to your request for information received on 15th August 2013 and allocated reference number FOI-1592 please find below our response to your question.

Questions and Responses

- 1. Please disclose what procedures you have in place to stop healthcare professionals from using unlicensed apps on smartphones and tablets – including on their own personal devices?**

The Trust currently does not allow clinicians to connect their own devices up to our network.

All Trust devices are managed centrally by our IM&T department and do not allow users to download their own applications.

If you have any queries about this response or wish to discuss your request further please contact the Information Governance team.

If you are unhappy with the response provided, you are entitled, under the Freedom of Information Act to request an internal review.

Yours sincerely,

Information Governance Team
IM&T Department
