Dear Sir / Madam

Request for Information – reference 8876

Thank you for your request which I received on 9 October 2014. In my view you have asked for sight of:

- records of discussions between Ministers and others (meaning officials of the Welsh Government); and
- documents containing advice from the Welsh Language Commissioner, Cymdeithas yr Iaith and any other external parties;

concerning the inclusion (or exclusion) of a clause in the draft Planning (Wales) Bill mandating the consideration of the effect/impact on the Welsh language on every planning application.

Please let me know if this is not an accurate description of the information you have requested.

Yours sincerely,

Jonni Tomos
