Dear Mrs McYarnington

### Freedom of Information Act 2000

Thank you for your recent Freedom of Information request. You asked to be provided with the following information:

*Can I please request documents including emails related to Westminster City Council's application for Transport for London Local Implementation Plan funding, including details of items for which funding was awarded and items for which funding was not awarded, for the most recent year such documents and emails are available?*

### Response

Please find enclosed two emailed attachments that outline:

- The Council's bid to TfL for the current year City of Westminster 2017/18 Local Implementation Plan (LIP) 'Corridors, Neighbourhoods and Supporting Measures' Programme, dated 27.10.16. This consists of a cover letter to TfL and a supporting 'Proforma A' form that outlines the detail of the 'Corridors and Neighbourhoods' and 'Local Transport Fund' programmes

and

- TfL's approval letter to the above full programme, dated 16.12.16.

Please note:

- That the 'Corridors and Neighbourhoods' Programme allocation was fully supported by TfL
- As was the 'Local Transport Fund' allocation
- And there was variation in the settlement for 'Principle Road Maintenance', which is not unusual, and with regard to
- The 'Major Schemes' programme the TfL agreed granted settlement amounts were lower than the bids, which again is not unusual. Also regarding the letter content it is advised that an administrative error prevailed that was immediately acknowledged by TfL in that the allocations for Bond Street and Baker Street were accidentally switched. A position which was later amended to read Bond Street £720,000 and Baker Street £1,300,000."

Names and contact information have been redacted by virtue of Section 40 (2) of the Freedom of Information Act 2000. The information is personal data as defined by the Data Protection Act 1998 (DPA). As it is information about someone else the release of this information would constitute a breach of Principle 1 of the DPA. This is because disclosure would be unfair to those people who could be identified from the information who have no expectation that their personal data would be made public.

This response therefore acts as a refusal notice in under section 17 of the FoIA.
