Dear Mr Evans,

Freedom of Information Request Reference FOI-1182423

Thank you for your request dated 8 July, in which you asked the Department of Health and Social Care (DHSC):

*“Dear Department of Health and Social Care,
Under FOI, I am requesting the first 10 pages within your file: LIE 24 VOL 25”*

Your request has been handled under the Freedom of Information Act (FOIA).

DHSC holds the information you have requested.

Please see the attached PDF containing the documents you have requested. The attached correspondence has been redacted to take out some names and contact details under section 40(2) of the FOIA, which provides for the protection of personal information, as disclosing this information would contravene data protection principles.

If you are not satisfied with the handling of your request, you have the right to appeal by asking for an internal review. This should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to the address at the top of this letter, or the email address at the end of this letter.

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of your internal review, you may complain directly to the Information Commissioner (ICO) who may decide to investigate your concerns. Generally, the ICO cannot make a decision unless you have already appealed our original response, and received our internal review response. The ICO will not usually investigate concerns where there has been an undue delay in bringing it to their attention. You should raise your concerns with them within three months of your last meaningful contact with us.

The ICO can be contacted at:
