[REDACTED] and [REDACTED]

Please find attached a spreadsheet with all the expense categories claimable from our online system for the Third Edition of the MPs' Expenses Scheme.

I have noted in Column C whether or not a dispensation was awarded for the 2nd Edition, and if so, for what budget. I would hope that we can carry those dispensations over for the 3rd Edition (amending as necessary the relevant titles, -CORE and GAE have been merged into OCE, and we have a new Start-Up budget which covers many of the CORE and GAE items).

Based on those dispensations, our previous PSA, and any capital allowances, I have also noted on the spreadsheet whether or not I think we should report the expenses on the next round of P11Ds.

Hopefully, given all of our hard work over the past year, we should be able to come to an agreement fairly easily for this edition of the Scheme.

I look forward to seeing you and [REDACTED] on the 6th,

Hi [REDACTED]

I'm really sorry but we now have a Board meeting on the 7th of Feb so I'm unable do that date. We could still do the Monday, or if there is a more convenient date that week please let me know.

Thanks,

Hi [REDACTED]

Happy New Year! Moving house is a total pain, but at least it got you out of the office for a bit!

How would the week of February 6th look for you? On Monday the 6th or Tuesday the 7th we could do anytime from 12pm onwards. I'd be happy to come over to you if it's easier. I should be able to forward you the spreadsheet next week with the expense categories.

Kind regards,

[REDACTED]

Sorry, I had a week off before Christmas as I moved house. So it wasn't a very relaxing break for me! I hope you had a good Christmas and New Year.

Early February is looking fairly free at the moment for me, although I have just sent a quick email off to [REDACTED] to find out if he wants to come too. If you could get me the spreadsheet of categories as soon as possible that would certainly help as he may not need to come if he can have a look and report back to me before the meeting.

Hi [REDACTED]

Before we all go off on leave I thought it might be useful to get a date in the diary to discuss the taxable status of the expenses covered in the Third Edition.

Would you be available the first week of February? I will send you over the spreadsheet of the expense categories well in advance of the meeting.

Kind regards,

[REDACTED]

Good morning: I hope that you found Wednesday's event to be worthwhile. The questions we had at the end certainly suggested our presence was appreciated.

I think the time has come to discuss the 3rd scheme and its tax consequences. I am happy to discuss some of the issues in a meeting in the New Year, however I wonder whether you could answer a few questions for me in advance of this please?

1. Could you please send me a list of expense type categories under OCE?
2. Could you please send me a list of expense type categories under Winding up expenses? Is this the same as in the 2nd scheme?
3. Could you please send me a list of expense type categories under Start-up expenses (if there are any)? Please could you explain how the start-up allowances work in practice?

Regards,
