I spoke with Shiraz and he has suggested that we change the report so that it is asking for Exec to agree to the Risk Sharing and to Joe taking an ID.

June

This is now tabled for Corporate Board on the 8th June - which means we have to submit the agreed version on the 1st June. I think this should be enough time.

I have also re-scheduled the SP report for the same date.

Assuming a smooth run this means it will go to Management Board on the 1st July, deadline for submission 24th June and Exec on the 22nd July, deadline 13th July.

Will confirm whether we can use an ID a bit later.

Thanks

Tandra
