I am aware that Inquiries usually start on a Tuesday and there is not a good reason in this case for the Inquiry to start on a Monday – I think that the words ‘week commencing’ have inadvertently been left off in correspondence!

Sorry

No inquiries usually start on a Tuesday. I am copying in Darren just in case he has a good reason why it should start on a Monday.

Thanks for this.

Could I just clarify the start date as I didn't think Inspector's usually like to start an inquiry on a Monday!

Kind regards

Chart have confirmed that they have identified an Inspector for a 4 day inquiry starting on 8 October 2012. Please could you formerly request the appointment of an Inspector. If you need anything else, please let me know.

We spoke yesterday regarding the above proposed inquiry. Please find attached a copy of the letter I sent to Graham Budd on 10 May alerting him to the fact that an inquiry would be needed and giving some background to the case. I am also attaching for information a copy of the letter we issued on 15 May to the applicants announcing the Secretary of State's intention to hold an inquiry.

As I mentioned yesterday we are not in a position to formally request the appointment of an inquiry Inspector until we know what dates are proposed for the inquiry and whether the Inspectorate can identify an Inspector who would be available on the dates suggested.
