This report uses LIVE DATA extracted from NSPIS

Date Live data was extracted: 29/05/2013

The data in this report reflects live data which may be subject to small changes over time

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

Notes

The data in this report was extracted from the live NSPIS custody system on the 29th May 2013.

The 'Latest Front Sheet' filter was used to return the most up to date data and to remove duplicates.

The Arrest Date was set between 01/01/2012 and 31/12/2012.

The Arrest Offence was set to equal 'Mental Health Act' or 'S.136 Mental Health Act'.
(Please note - no arrests were returned for 'S.136 Mental Health Act').

The data in this report is a count of persons arrested and taken into custody.

The data doesn't show if the individual was arrested for an arrestable offence as well as detained under the Mental Health Act.

If someone is detained under section 136 of the mental health act, they are not arrested, and they are taken to a place of safety other than an MPS custody suite, a custody record is never created. These instances will therefore not be included in this report.
