Dear Sir or Madam

I refer to your e-mail of 12 January which asked the following:

Please can you confirm whether or not a Geophysical Survey was carried out at the oil/gas exploration site by Caudrilla at Lower Stumble, London Road, Balcombe, West Sussex and if not where did they get their geographical information from ?

I am afraid that we are at this stage unable to respond to your request as we do not understand the question you are asking. If you would like to come back to us again on this to clarify what it is you are actually seeking, hopefully we will be able to determine whether DECC holds such data or not.

Appeals procedure

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within 40 working days of the date of receipt of the response to your original letter and should be sent to the Information Rights Unit at:

Information Rights Unit (DECC Shared Service), Department for Business, Innovation & Skills, 1 Victoria Street, London, SW1H 0ET. E-mail: foi@decc.gsi.gov.uk

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely
