Dear [REDACTED]

Thank you very much for the copies of your letters to [REDACTED] and [REDACTED] regarding batch HL3186. As far as my own patients are concerned I have recalled all the bottles and spoken to as many patients as I can personally. Only [REDACTED] has not yet been seen by me but [REDACTED] not used any of the material. I will ask [REDACTED] to return all the bottles to the BTS but I will be away for a month now and if there is any problem concerning their return don't hesitate to call [REDACTED] directly at the Haemophilia Centre here.

All best wishes,

Yours sincerely,

[REDACTED]
