This only provided a summary the council's pension funds and did not give a breakdown as you had required. The council's Annual Statement of Account does provide this information and can be found on the council's website here:

I have also attached a copy of the document to this response. Please note that this is a large document and the pages that cover the scope of your request start at page 115 to page 138.

With regards to your request for this data to be provided in an Excel spreadsheet, the council does not hold this information in this format.

5. Conclusion

I partially up hold your request because you were
