Your request was received on 14 July 2017 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

- GCSE grades*
- Predicted grades*
- Achieved A-level results (for post A-level candidates)*
- Result for each part/section of the ECAA, insofar as this is held by the University - preferably, the parts chosen and score in each for Section 1, and the question numbers chosen and mark in each for Section 2, although I appreciate that some of this information may not be held.*
- Whether a direct offer was made (yes/no)*
- Whether the applicant was pooled (yes/no)*
- Whether the applicant received a pool offer (yes/no)*
- If the applicant received a offer, the college which made the offer*

| Notes | Entry Year | Figures are grouped by entry year. The 2016 entry year includes standard entry applications from the 2016 application round and deferred entry applications from the 2014/2015 rounds. |
| | ApplyID | Qualification information has been anonymized, with each applicant assigned a dummy application identifier. |
| | GCSE | GCSE qualification information is supplied as declared by applicants through their UCAS application. |
| | Predicted Grades | As and if supplied in the relevant field on the UCAS reference. |
| | Post Qualified | Applicants are flagged as post-qualified when they have completed three or more A Levels and have no outstanding A Levels to complete. A Level data is provided by the relevant UK ABL. Where A Level data is missing, this due to non-UK A Levels being taken by the applicant. |
| | ECAA | Only section 1 results are held. Section 1 has 2 scores: "Problem Solving" and "Maths for Economics". |
