

To Be Process:
 The steps coloured in green are either new processes introduced for the PoFA or existing processes which need to change.
This is all with the caveat that the ICO agrees to the Minister's proposal of not requiring a single search for fingerprints, only for DNA. - ICO agreed to the Minister's proposal of not requiring a single search for fingerprints.

History:
 @v1.1: Steps 9 & 20 removed. Step 25a added. Link from Step 28 to Step 29 removed. Step 28 terminates. References to #24 replaced with references to #7. References to #25 replaced with references to #9. References to #27 replaced with references to #12. (#24, #25 & #27 WITHDRAWN). ICO agreement caveat updated.
