7. Work specification

Please refer to the applicant's guidance booklet and tell us if you intend to complete the Plan in a different manner to that shown on the template available at www.forestry.gov.uk/ewgs

It is intended that Bradford woodlands shall be managed to produce high quality amenity woodlands that provide a recreational, educational and bio diverse resource for the residents of Bradford. Additionally some timber will be produced that will form a sustainable locally sourced supply of bio mass fuel for Bradford Council's wood fuel boiler.

The woods will be submitted for UKWAS certification. A Condition Assessment, Threat Form will be completed for each separate wood, and the F.C. template will be used for the production of management plans
