[FOI Request 2014/284 – F0441965]

Dear Mr Gould,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 19 November 2014 timed 12:06 hours requesting a Review of our actions, as detailed below.

I am writing to request an internal review of University of Glasgow's handling of my FOI request 'Contracts with DeLoitte'.

I am concerned to establish that the information is complete. It may be that the details of what I am seeking are subsumed in the information provided. If that is so, I would be grateful if these details could be made more specific.

If not, I would ask you to provide the additional details of contracts, funding and sponsors.

This is with reference to the contract that I believe was given to DeLoitte for a project to reform research management in Glasgow University. Please let me know if the payments to DeLoitte for this are included in the figures provided, or whether by some inadvertence, these were omitted from the response.

A full history of my FOI request and all correspondence is available on the Internet at this address: https://www.whatdotheyknow.com/request/contracts_with_deloitte

The University acknowledges receipt of your Request for a Review and confirms that a response to your request for Review will be sent to you promptly; and in any event not later than 17 December 2014, as required under the terms of FOISA. The University will contact you if the University requires any further information.

Yours sincerely,

Data Protection and Freedom of Information Office
