Dear Mr Gabbidon,

Re: Freedom of Information Act Request ref: LBH/3977815

Thank you for your request for information received on 02 February 2015, in which you quoted the Haringey Council press release **'Bringing Investment to secure Haringey's future'** specifically an extract relating to the council's attendance to investment events last year leading to: **'many potential investors subsequently visiting the borough'**.

You requested information on what companies have visited the borough following contact made at MIPIM 2014, including the following details:

- The dates when they visited, the names of the company employee who visited, and their job titles.
- Information on whom they met with, and information on what they did on their visit.
- Details of any contracts signed on the basis of these contacts visiting the borough.
- Was there any Haringey Council funding of these visits? If so, please provide detail of what expenditure and how it was spent.
