Dear colleague

I have two new publications to add to the system:

Younger, P.L., 2014, It's do or divest. *New Scientist*, 15th November 2014, p. 26.

Younger, P.L., 2014, Carbon: problem ... and solution. *The Tablet*, **268** (no 9079), pp 4- 5. (ISSN 0039 8837). (13th December 2014).

I attach pdfs of the versions as published, plus my manuscript versions of both for Enlighten.

Best wishes
