### **Request**

I am aware that the council have a universal free school meals policy and have been funding this policy for a number of years, including participation in the ufsm pilot program.

I would like to see any measurements, appraisal reports or supporting evidence on the outcomes of this scheme, undertaken beyond the pilot report (I don't need to be sent the pilot report)

In simple terms, have the council followed up the scheme, if so, I would like to see it.

**The continued investment by council in the universal free meal policy is on the basis of the evaluation the Department of Education on the pilot.**

If you require any further information or are not happy with our response please do not hesitate to contact a member of our team on (020) 8430 2000 or email us at [information.governance@newham.gov.uk](mailto:information.governance@newham.gov.uk).

Yours sincerely,
