

Welcome to YORtender

The Local authorities in the Yorkshire & Humber Region have a combined external spend of some £4.5 billion per annum. The Region has a single strategic procurement strategy, under the leadership of YORprocure, which aims to ensure that we have best practice procurement across the Region, are delivering tangible benefits and are promoting collaborative working with colleagues and suppliers.

A key element of our strategy is YORtender, the procurement portal for the Yorkshire & Humber Region. YORtender provides real benefits to all:

- A single procurement approach across the Region
- A means to share, co-ordinate and collaborate on procurement exercises
- E-enabled for all to work smarter and to reduce procurement leadtimes
- Suppliers can register their capabilities and interests in opportunities
- Suppliers receive email alerts of opportunities
- Immediate access to current opportunities
- News Alert feature to communicate key information

Approximately 100 public sector procurement officers are issuing tenders and quotations electronically via our system today. If you want to register your company on the system, register free now!

Suppliers - Register Now!

To register free to promote your business capabilities and to start receiving email alerts go to www.yortender.co.uk , just Click on Supplier Registration. You will then be able to:

- Click on Opportunities to view current contract opportunities advertised across the Region
- Click on Contract Store to view current contracts, this will provide a future view of potential opportunities and timescales
- Click on User Guides for instructions on using the system and frequently asked questions
- Contact support details for Due North are by email yorkshiresupport@due-north.com or by telephone on 0844 5434580

Your Benefits:-

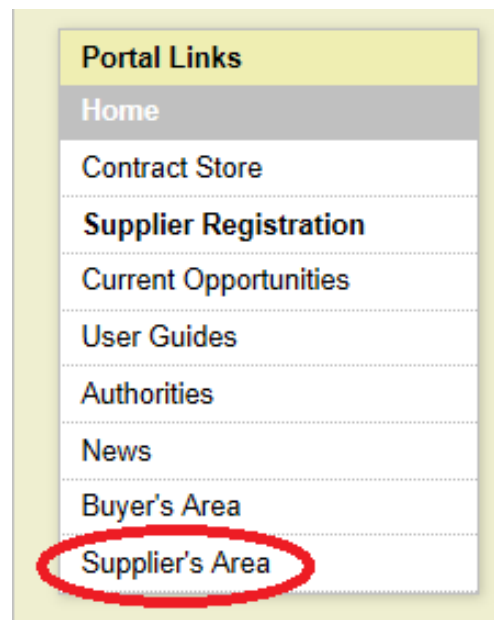

- Make buyers aware of your presence
- Receive Pre-Qualification Questionnaires, Requests for Quotes and Invitations to Tender electronically
- Submit your quotations and tenders electronically almost instantly
- All you need is an internet connection and an email account
- Reduce your paper and associated printing costs

- Benefit from proven added security and knowledge that your submission has been delivered

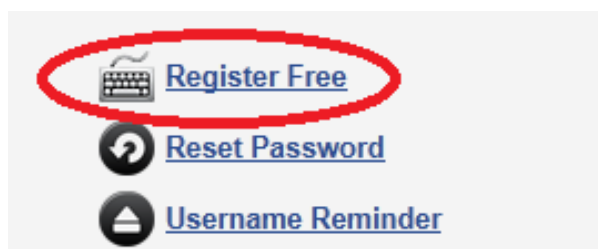

How to register

From the www.YORtender.co.uk front page click on 'Supplier Area'

This will then take you into the 'Supplier Area' which contains all of the latest opportunities across the region, the link to register on the system and the log in page to access the system in the future.

For all first time users please click on 'Register Free'

Now follow the YORtender step by step guide for completing your Registration.

For further guidance on how to complete this registration please use the YORtender User guide 'Supplier Guide How to do Business'

Please pay particular notice to 'Category Selection' (Step 3 of 5) as these selections will help generate your automatic notifications for opportunities you may be interested in.
