Dear Sir/Madam

Freedom of Information Act 2000 (FOIA)
Request ID: REQ00884

Thank you for your request for information relating to parking charge notices (PCN’s) in Park Road.

Please advise since my request of April 2015:

1. how many PCNs have been issued, broken down into monthly or quarterly figures.

</tr>
<tr>
<td>01/10/2015 – 31/12/2015</td>
<td>3,251</td>
</tr>
</tbody>

Also please advise:

2. has there been any meetings at which a modification of the signage has been discussed and if so when have those meetings taken place and what was agreed.

The signage is compliant with Department for Transport regulations. Regular audits are undertaken to ensure that the signage is in situ.

3. has there been any meetings at which an improvement to the now non-existent turning circle at the end of this road has been discussed to enable vehicles who do find themselves towards the junction to be able to take safe, evasive action to avoid being in contravention of the new 'bus gate'.
There have been no changes to the road since Park Road has been opened up, and the bus gate installed. The “turning circle” remains as it always has been. There are currently no plans to change this.

and

4.a. how many appeals have been filed against PCNs issued in this location and b. how many have been upheld such that the appellant has not had to make any payment.
