Data are for students on the LLM by Cambridge College: these data are provisional for 2015/16, as they are based on the Student numbers publication for 2015/16, which is currently not published but due to be published during February 2016 at <http://www.admin.cam.ac.uk/offices/planning/sso/>.

The following groups of students are excluded from the data, as per the exclusions applied to the Student numbers publications at <http://www.admin.cam.ac.uk/offices/planning/sso/>:

- students on non-credit bearing courses;
- students who, at the census date, are on intermission;
- students who are entered for an examination only, i.e., are not attending a course;
- students who reported their gender as 'Other' (to ensure that individuals cannot be identified, owing to the small number of students in this category and the detailed breakdown of data by course, college and other categories).
