Dear Ms Wogel,

I am replying to your Freedom of Information request to the College, which was received by the Freedom of Information Officer on 26th May 2016.

For clarity here is your original text:

Can you please provide me with your spend for permanent recruitment over the last 12 months split by advertising, agency fees (please confirm agency used), transfer fees, training etc.

College does not separately account for recruitment costs, these expenses are folded into general staff costs. It would therefore be too onerous for College to provide this information under the terms of section 12 of the Freedom of Information Act (appropriate limits and fees). It is our estimate that the cost of facilitating this request would exceed £450 as this is not information for which we systematically collect data.

The College regards the information on agencies and agency expenditure as commercially confidential.

If you wish to request a review of this response, you should write to me at the above address in the first instance. The entire set of correspondence will be passed for review to another person in the College. If you are dissatisfied with the outcome of a review, you have the right to make a complaint to the Information Commissioner's Office.

Yours sincerely,

Prof. I.J. Sobey
Acting Principal Bursar
