### Notes/Caveats:

Please note these figures are for trained Regulars only and therefore do not include Gurkhas or the Reserve services.

"Late Entry Commission" has been defined as those who flow directly from soldier to officer and have an entry type and contract type that corresponds to late entry commission.

The figures have been rounded to "10" to limit disclosure. Numbers ending in "5" have been rounded to the nearest multiple of 20 to prevent systematic bias. Totals have been rounded separately and so may not be a sum of their parts.
