Hi Gemma,

Have you been able to give consideration to the email below.

I understand from East Hants that Cllr Ingrid Thomas is in support of their installation.

If acceptable we would like to get the barriers on order so that we can install them during the completion of the S278 works.

Regards

Hi Gemma,

Thanks for the email.

I have spoken with [redacted] our site, copied in on this email and he is liaising with our ground worker to get the final S278 works booked in. Given the non traffic sensitive nature of Brislands Lane I hope that we will not be affected by the Christmas embargos.

In relation to the barriers as discussed safety concerns have been expressed by some residents and some locals and in this regard it is proposed that we install some staggered barriers, the same as those used at Anstey Road, Alton to act as a visual warning.

The barriers used were Pittman Traffic Safety Equipment Autobahn removable pedestrian barriers finished in white with red reflective bands. One leg of the barrier is a triangular lock that can be unlocked with a universal key allowing the barrier to rotate or swivel around or to be removed completely see the following link
<https://www.pittmantraffic.co.uk/autobahn-removable-pedestrian-barrier.html>. I have marked up the suggested location on the attached S278 Plan.

[redacted] will be in touch to confirm our proposed date to complete the S278 works and your comments on the proposed barriers would be appreciated.

Thanks in advance.

Regards

Importance: High

It was good to see you at the workshop last week. As briefly discussed we require an update on when the phase 2 works at Brislands Lane are to be undertaken- can you confirm this asap please? As you know we need to book the necessary road space and the xmas embargo is fast approaching. You mentioned that you were considering potentially introducing some collapsible bollards at the footway/cycleway and were going to send across the details for consideration so I would also be grateful to receive this as soon as you are able?

Thanks

Gemma

Dear All

Further to my e-mail below I am yet to receive any further information from you in relation to completion of the Stage 2 S278 works which were envisaged completion in June/July. Are you able to provide an urgent update?

Thanks

Gemma

Hi Gemma,

will be able to liaise with you in relation to programme and booking of road space.

Kind regards

Dear Gemma,

Thanks for your email.

I can confirm that site are fully aware of the need to complete stage 2 of the S278 works, based upon our current programme I would anticipate these being undertaken in June/July 2016.

The new Contracts Manager for this site is [redacted] who has joined us today so is getting up to speed, I have copied him in on this email. [redacted] is the site manager and is responsible for the day to day running of the site.

Regards

Are you able to provide answers to these questions please.

As you will be aware the liaison panel are meeting this evening and I am keen to provide an update to Cllr Kemp-Gee on timescales for the phase 2 works.

Many thanks

Gemma

Hi

I hope you are well.

Do you know who is leading on the above site for CC?

We have 'phase 2' of the Section 278 works which are required to be undertaken upon completion of the units and I am keen to understand when CC envisage undertaking these works as I understand the site is now close to completion?

Are you able to provide an update or put me in touch with the appropriate contact?

Many thanks
