- 9 TICKET FACILITIES AND DISPLAY OF WARNING NOTICES
- 10 SELLING TICKETS ON BOARD TRAINS
- 11 ARRANGEMENTS WITH OTHER OPERATORS
- 12 APPEALS

1 Introduction

- 1.1 We, Govia Thameslink Railway (GTR) Ltd, give notice, under rule 3.2 of the Penalty Fares Rules 2002 that we wish to operate a Penalty Fares Scheme across the Thameslink, Southern and Great Northern (TSGN) franchise, with effect from 26th July 2015, the document approved in July 2015 has now been amended to reflect the additional TVM's that have been installed making all GTR stations penalty fare stations. This document describes our Penalty Fares Scheme for the purposes of rule 3.2 b.
- 1.2 We have decided to introduce a Penalty Fares Scheme because the previous operator of the railway passenger services comprised of the Thameslink Great Northern franchise, First Capital Connect and Southern Railways, operated a Penalty Fares Scheme in such franchise area and the experience has proved that it is an efficient means to deter ticketless travel. It is important that there is consistency across all franchise areas so as to avoid causing confusion for our passengers. This scheme will now include all stations operated by Govia Thameslink Railway Limited. The scheme will also take into account the provision of penalty fare notices issued electronically which were implemented from September 2015.
- 1.3 We have prepared this Penalty Fares Scheme taking account of the following documents:
- The Railways (Penalty Fares) Regulations 1994.
 - The Penalty Fares Rules 2002.
 - Strategic Rail Authority Penalty Fares Policy 2002.
 - The Railways (Penalty Fares) (Amendment) Regulations 2005.
- 1.4 In line with rule 3.2, we will send copies of this Penalty Fares Scheme to:
- The Department for Transport.
 - Transport Focus.
 - London TravelWatch.

2 Penalty Fares Trains

- 2.1 For the purposes of this Penalty Fares Scheme, all the trains that we operate will be Penalty Fares Trains.

3 Penalty Fares Stations

3.1 For the purposes of this Penalty Fares Scheme, the following stations will be Penalty Fares Stations.

Aldrington	Buxted	Edenbridge Town
Alexandra Palace	Cambridge	Effingham Junction
Amberley	Carshalton	Elephant & Castle
Anerley	Carshalton Beeches	Elstree & Borehamwood
Angmering	Caterham	Ely
Appledore	Catford	Emsworth
Arlesey	Charing Cross	Enfield Chase
Arundel	Cheam	Epsom
Ashford International	Chichester	Epsom Downs
Ashted	Chipstead	Eridge
Ashurst	Christchurch	Essex Road
Ashwell & Morden	City Thameslink	Ewell East
Balcombe	Clandon	Falmer
Baldock	Clapham High Street	Fareham
Balham	Clapham Junction	Farringdon
Banstead	Collington	Faygate
Barnham	Cooden Beach	Finsbury Park
Battersea Park	Cooksbridge	Fishbourne
Bayford	Cosham	Fishergate
Beckenham Hill	Coulsdon South	Flitwick
Beckenham Junction	Coulsdon Town	Ford
Bedford	Cowden	Forest Hill
Bedhampton	Crawley	Foxton
Bellingham	Crews Hill	Fratton
Belmont	Cricklewood	Gatwick Airport
Berkhamstead	Crofton Park	Gipsy Hill
Berwick	Crowborough	Glynde
Bexhill	Crystal Palace	Godstone
Biggleswade	Cuffley	Gordon Hill
Billingshurst	Denmark Hill	Goring-by-Sea
Birkbeck	Doleham	Grange Park
Bishopstone	Dorking	Guildford
Bletchley	Dorman	Hackbridge
Bognor Regis	Downham Market	Hadley Wood
Bookham	Drayton Park	Ham Street
Bosham	Durrington On Sea	Hampden Park
Bournemouth	Earlswood	Harlington
Bowes Park	East Croydon	Harpenden
Boxhill & Westhumble	East Dulwich	Harringay
Brighton	East Grinstead	Harrow & Wealdstone
Brockenhurst	East Worthing	Hassocks
Brockley	Eastbourne	Hastings
Brookmans Park	Eastleigh	Hatfield
Burgess Hill	Edenbridge	Havant

Haydons Road	London Victoria	Preston Park
Haywards Heath	Loughborough Junction	Pulborough
Hemel Hempstead	Luton	Purley
Hendon	Luton Airport Parkway	Purley Oaks
Herne Hill	Meldreth	Queens Road Peckham
Hertford North	Merstham	Radlett
Hever	Mill Hill Broadway	Ravensbourne
Highbury & Islington	Milton Keynes Central	Redhill
Hilsea	Mitcham Eastfields	Reedham
Hitchin	Mitcham Junction	Reigate
Holmwood	Moorgate	Riddlesdown
Honor Oak Park	Morden South	Royston
Horley	Moulsecomb	Rye
Hornsey	New Barnet	Salfords
Horsham	New Cross Gate	Sanderstead
Horsley	New Milton	Sandy
Hove	New Southgate	Seaford
Huntingdon	Newhaven Town	Selhurst
Hurst Green	Norbury	Selhurst
Ifield	Normans Bay	Shepherds Bush
Imperial Wharf	North Dulwich	Shepreth
Kenley	Norwood Junction	Shoreham-by-Sea
Kensington Olympia	Nunhead	South Bermondsey
Kentish Town	Nutbourne	South Croydon
Kings Lynn	Nutfield	South Merton
Kingswood	Oakleigh Park	Southampton Central
Knebworth	Ockley	Southbourne
Lancing	Old Street	Southeast
Leagrave	Ore	Southwick
Leatherhead	Oxted	St Albans
Leigh	Palmers Green	St Helier
Leighton Buzzard	Peckham Rye	St Leonards Warrior Square
Letchworth Garden City	Penge West	St Neots
Lewes	Penshurst	Stevenage
Lingfield	Peterborough	Streatham
Littlehampton	Pevensey & Westham	Streatham Common
Littlehaven	Pevensey Bay	Streatham Hill
Littleport	Plumpton	Sutton
London Blackfriars	Polegate	Sutton Common
London Bridge	Portchester	Swanwick
London Kings Cross	Portslade	Sydenham
London Road (Brighton)	Portsmouth & Southsea	Tadworth
London Road (Guildford)	Portsmouth Harbour	Tattenham Corner
London St Pancras International	Potters Bar	Thornton Heath

Three Bridges	
Three Oaks	
Tonbridge	
Tooting	
Tring	
Tulse Hill	
Uckfield	
Upper Warlingham	
Victoria	
Waddon	
Wallington	
Wandsworth Common	
Wandsworth Road	
Warblington	
Warnham	
Waterbeach	
Waterloo East	
Watford Junction	
Watlington	
Watton-At-Stone	
Welham Green	
Welwyn Garden City	
Welwyn North	
Wembley Central	
West Brompton	
West Croydon	
West Hampstead Thameslink	
West Norwood	
West Sutton	
West Worthing	
Whyteleafe	
Whyteleafe South	
Wimbledon	
Wimbledon Chase	
Winchelsea	
Winchmore Hill	
Wivelsfield	
Woldingham	
Woodmanstone	
Worthing	

A map showing where these Penalty Fares Stations are is attached as Appendix A.

4 Compulsory Ticket Areas

- 4.1 The Penalty Fares Scheme will not create any compulsory ticket areas (CTA's)

5 Ticket Facilities

- 5.1 The ticket facilities provided at each Penalty Fares station are set out in Appendix B.
- 5.2 The ticket facilities at each Penalty Fares station are sufficient to meet the Ticketing and Settlement Agreement and Passengers' Charter queuing standards under normal circumstances at all times of day. Our aim is that you shouldn't have to wait for more than three minutes before being served, and no more than five minutes at busy times.

To make sure that passengers are not charged Penalty Fares when the queuing standards are not met, we will monitor the queuing time on a regular basis, especially during rush hours and issue instructions through the mobile phone text system to our on board staff that discretion should be used if excessive queues build up.

- 5.3 At staffed stations, staff will check ticket machines every day that the station is staffed. Staff will be trained to correct faults themselves wherever possible. When this is not possible, our maintenance contractors will repair any faults. Under our maintenance contract, machine faults will normally be corrected within 24 hours.
- 5.4 At unstaffed stations daily visits will be made by staff to check the ticket and permit to travel machines. Staff will be trained to correct faults themselves wherever possible. When this is not possible, our maintenance contractors will repair any faults. Under our maintenance contract, machine faults will normally be corrected within 24 hours.
- 5.5 At staffed stations, 'permit to travel' machines, where installed, will normally be switched off when the ticket office is open, but will be switched on by the ticket office staff when the ticket office closes. Ticket office staff will be given instructions to switch on any 'permit to travel' machine whenever unusually long queues build up at the ticket office. This standard is five minutes at peak times and three minutes at other times.

6 Publicity and Warning Notices

- 6.1 In line with rules 3 and 4, notices telling passengers that we are operating a Penalty Fares Scheme will be displayed where they can be seen clearly at each Penalty Fares station from the start of the franchise operation. The wording of the notices is shown in Appendix C.
- 6.2 As well as these notices, we will do the following to make sure that the introduction of the Penalty Fares Scheme is well publicised:
- Press Releases
 - Information on our Website
 - Notifying User Groups by letter

- Leaflets
- Use of Public Address
- Use of Social media

- 6.3 We will brief ticket office staff, platform staff, customer services staff and on board staff about how the Penalty Fares Scheme will work. We will keep a record of this briefing.
- 6.4 We will produce leaflets which will explain how the Penalty Fares Scheme works and which will include a map showing the Penalty Fares Stations and the routes on which Penalty Fares Trains run. These leaflets will be available, free of charge, at all staffed Penalty Fares Stations from the start of the franchise operation. We will do all we reasonably can to make sure that copies of the leaflet are available at each staffed Penalty Fares station and from our customer services department for as long as the Penalty Fares Scheme remains in force. We will give a copy of this leaflet and a copy of the SRA's Penalty Fares Rules to each person who asks for information about the Penalty Fares Scheme under rule 8. The wording of the leaflet is attached as Appendix D. Our customer services department will send a large-print version or audio-tape version of the leaflet to anyone who asks.
- 6.5 Penalty Fares warning notices will be displayed in line with rule 4, at each Penalty Fares station from the date the Penalty Fares Scheme is introduced and for as long as the Penalty Fares Scheme remains in force. These notices will take the form of posters in special poster sites, displayed at each entrance to the platforms and on the platforms at interchange stations where they can be seen by any passenger changing onto a Penalty Fares train. The wording and design of these warnings is shown in Appendix E. The signs will follow the signing guidelines contained in the Code of Practice on Penalty Fares produced by the Association of Train Operating Companies. We will check that these warning notices are properly displayed at each station which we operate every four weeks as part of our regular station audit process. As part of station access checks we currently carry out, we will ensure Penalty Fares Warning notices are in place at stations run by other operator.

7 Selecting and Training Of Authorised Collectors

- 7.1 All persons who are appointed to Authorised Collector posts will undergo the following recruitment process, whether they are internal or external.

Shortlisted applicants for interview will be invited to a recruitment day and supplied with job data sheets informing them of details of the post duties, person specifications and conditions.

During the recruitment day, candidates will undertake a number of tests that assist the selection panel in deciding if candidates have the ability to undertake the role. The test will include:

- Numerical skills where emphasis is straightforward calculation and understanding of arithmetical operations.
- Using information where we will measure speed and accuracy in checking information.
- Report writing: we will consider accuracy of information, clarity, spelling and neatness.

- Formal interview with a panel comprising of a minimum of 2 persons. This will take approximately 20-30 minutes and will consist of a set of questions devised for the round of interviews. Questions will aim at identifying a match to the post's Person Specification personality and will identify any negative responses.

7.2 We will train each person who is to be an Authorised Collector to make sure that they do this job properly. The training will include:

- Product training, including ticket types and restrictions, excess fares and railcards;
- National Rail Conditions of Travel;
- National Routing Guide;
- Rail bye-laws;
- Penalty Fares Rule and Regulations;
- Details of this Penalty Fares Scheme, including how Authorised Collectors should use their discretion;
- Customer service, including how to apply the Penalty Fares rules to customers in a fair and consistent manner; and
- Conflict management.

This training will be carried out by internal trainers and external specialist training companies and will be given to set guidelines, session plans and standards.

We will keep appropriate records of this training.

7.3 After the training, we will assess trainees' knowledge and ability. We will only appoint someone as an Authorised Collector and give that person identification as an Authorised Collector, if that person shows a satisfactory knowledge of the subjects listed above.

7.4 We will give refresher training to each Authorised Collector every 18 months. The refresher training will cover the same subjects as the initial training and an assessment will be carried out afterwards. If an Authorised Collector fails to reach a satisfactory standard in the assessment, we will not allow them to continue as an Authorised Collector until they successfully pass an assessment after more training. We will keep appropriate records of this refresher training.

7.5 We will fully investigate all complaints about Authorised Collectors or how this Penalty Fares Scheme is run and we will take any action which is necessary as a result. We will keep records of the investigation and the action which we take. If appropriate, we will remove an Authorised Collector from duty and withdraw their Authorised Collector's identification, until they have been given extra training and re-assessed as being satisfactory.

7.6 Each Authorised Collector will be given a routine briefing by his or her supervisor or manager every four weeks, covering relevant issues concerning safety, customer service, product changes and revenue protection. Authorised Collectors will also be proactively monitored by their supervisor or managed to ensure they are following the Penalty Fares procedures correctly.

7.7 We will use a combination of induction training and briefing to make sure that other staff, including ticket office staff, platform staff, host staff and on board staff, know

how the Penalty Fares Scheme works. We will keep appropriate records of this training or briefing.

8 Written Instructions to Authorised Collectors

- 8.1 Authorised Collectors will wear a distinctive uniform that clearly shows that they work for GTR, along with an indication of the route they normally work. In line with rule 5, they will carry identification and produce it when charging a penalty fare or when asked by a passenger. This identification will include the Authorised Collector's photograph and will show that they are authorised to collect Penalty Fares on our behalf and on behalf of any other operators who have authorised them to collect penalty fares. We will not allow Authorised Collectors to collect Penalty Fares if they do not have this identification badge with them. The design of this badge will be in line with the code of practice on Penalty Fares produced by the Association of Train Operating Companies, and an example is shown in appendix F.
- 8.2 When they charge a penalty fare, Authorised Collectors will follow rule 8 by issuing a Penalty Fare Notice (PFN). The wording and layout of this notice is shown in Appendix G.
- 8.3 We will provide each Authorised Collector with written instructions in the form of a GTR retail companion. The instructions will include details of the Penalty Fares Trains and Penalty Fares Stations under this Penalty Fares Scheme, the opening hours and contact phone numbers for the ticket office at each Penalty Fares station and the control centre. It will include details of the arrangements made concerning other operators' trains, passengers and Penalty Fares Schemes. We will issue replacement pages to Authorised Collectors to keep their handbooks up to date whenever we make any changes.
- 8.4 The instructions will clearly set out where passengers are, and are not, to be charged a Penalty Fare, including the procedures for where a Penalty Fare should and should not be issued. This includes the following examples:

Passengers will normally be charged a Penalty Fare where:

- they have standard class tickets and are travelling in first class (it should be noted that GTR's policy is that First Class upgrades have to be purchased in advance of travel. No on board upgrades are possible)
- they have changed onto a Penalty Fares train from another train

Passengers will not normally be charged a Penalty Fare where:

- they have a ticket for their journey, but are travelling by a route for which that ticket is not valid
- they have tickets which are not valid only because of a ticket restriction
- season ticket holders who do not have their season ticket with them.
- failure to carry rail cards providing a copy can be verified.

A Penalty Fare will not be issued to a customer under the following situations as a matter of policy on GTR:

- When there are no facilities at a station to purchase a ticket due to Ticket Office temporary closure or self- service machine failure;
- When there are no Warning Notices displayed at the originating station;

- Where a member of staff informs a customer to board a train without a valid ticket. This situation is extremely rare as all staff are informed not to encourage customers to board a train without a valid ticket unless there is a problem with the ticket machines, ticket office queues or where a customer could miss a flight, hospital appointment etc. In these cases the member of staff would inform the Service Delivery Centre of his or her actions. The Control would then inform the on board/host staff via the messaging system; and
- When an Authorised Collector does not have in their possession their Authorised Collectors badge.
- During a major service disruption within the areas affected.

8.5 Authorised Collectors will be given the discretion not to charge a Penalty Fare, and either charge the full single fare in line with National Rail Conditions of Travel or charge any relevant discounted fare as appropriate under the circumstances. The instructions will set out clear guidelines for using this discretion, which will be used towards:

- passengers who have mobility problems and passengers who are frail, elderly or heavily pregnant, who may not be able to get to the ticket office easily at the station where they got on the train or stand in a queue for a long time.
- passengers who are not aware of the Penalty Fares Scheme because they are blind or partially sighted, are foreign visitors who live abroad, do not speak English very well, or have learning difficulties.
- passengers who are travelling from stations where the only available ticket facilities are ticket machines or a 'permit to travel' machine, who have enough money (or credit or debit cards) to buy a ticket, but not the correct coins or notes needed to use the ticket or 'permit to travel' machine;
- passengers travelling from stations where the only available ticket facilities are ticket machines, who claim that the machines were accepting coins only or the exact fare only and the passenger did not have the necessary coins (unless the Authorised Collector can confirm that the machines are in fact working normally. Confirmation will be sought through a telephone call to the GTR control centre, who will be able to confirm the machine status and if any earlier problems have been experienced).
- passengers who are travelling from a station where the Authorised Collector has been told about long ticket office queues, or where fewer ticket windows than normal are open.
- all passengers when the train service is severely disrupted.
- airport passengers travelling to and from Gatwick Airport or London Luton Airport, especially for visitors unfamiliar with the UK Rail Network and people hurrying to catch flights.
- passengers with standard class tickets who are elderly, pregnant or disabled and who are travelling in first class accommodation because no standard class seats are available.
- passengers travelling from a station with ticket facilities, who claim that none of the ticket facilities at the station were working (unless the Authorised Collector can confirm that the machines are in fact working normally. Confirmation will be sought through a telephone call to the GTR control centre, who will be able to confirm the current machine status).

8.6 The instructions will set out procedures to make sure that people at risk, including children, people who are frail, elderly or heavily pregnant, and other vulnerable

passengers, are not put at greater risk by charging them a penalty fare, especially late at night.

- 8.7 The instructions will remind Authorised Collectors that although they may require passengers to make a minimum payment in line with rule 8.2, passengers who are charged a penalty fare have 21 days in which to pay the remaining balance. Authorised Collectors will be given the discretion to not charge a minimum payment on the spot and instead allow passengers 21 days in which to pay the full amount of the penalty fare retrospectively.
- 8.8 If a barrier check is to be carried out at a station **without** a CTA, Authorised Collectors will make sure:
- that they are in a position where they can see that a person approaching the barrier has got off a train; or
 - that they carry out a thorough search of the platform area before the check starts, to make sure that there is no-one on the platform side of the barrier check who is not travelling.

For the avoidance of doubt, all tickets must be purchased prior to travelling. GTR policy is that passengers will not be able to purchase tickets on-board train other than in the circumstances described in section 8.5 above.

There will be occasions where special ticket examination exercises are undertaken at locations where GTR interchange with the LUL, such as Farringdon. GTR and LUL staff will conduct these exercises jointly so that customers are dealt with under the correct Penalty Fares scheme.

- 8.9 We reserve the right to prosecute passengers if we think they intended to avoid paying their fare or have committed an offence under the national railway byelaws or the Regulation of Railways Act 1889. In these circumstances, we will not charge them a penalty fare or, if they have already been charged a penalty fare, we will refund it.

9 Ticket Facilities and Display of Warning Notices

- 9.1 We will operate a centralised control and support centre. This will be open on a 24 hours basis, 7 days a week. Ticket Office staff at each Penalty Fares station which we operate will tell the centre:
- if their ticket office closes temporarily (and when it reopens);
 - if their ticket office closes before its advertised time;
 - when very long queues build up (and when queuing levels return to normal);
 - when ticket or 'permit to travel' machines break down, or only accept coins or the exact fare; and
 - when these ticket or 'permit to travel' machines are working properly again.

In the absence of ticket office staff, platform staff or host staff will provide the above information to the control centre.

- 9.2 At unstaffed stations, staff visiting every weekday will check machines and notify the control centre of any non-availability of ticket facilities. Modern self-service ticket

machines now self-report their machine status via a web enabled dashboard. We will make use of this facility within our control centre.

- 9.3 We will make arrangements with other operators to provide information on availability of ticket facilities at stations which they control and are served by GTR's Penalty Fares Trains.
- 9.4 The control centre will keep an appropriate record of the information it has received and will give this to IPFAS as necessary so that it can investigate appeals.
- 9.5 We will give each Authorised Collector a smart phone, to which the control centre will send details of ticket office closures, very long ticket queues and faulty ticket or 'permit to travel' machines to every Authorised Collector. Authorised Collectors can confirm whether ticket offices are open and whether ticket and 'permit to travel' machines are working properly, with the control centre or with the station staff.

10 Selling Tickets On Board Trains

- 10.1 All staff undertaking commercial duties will be trained to be authorised collectors. Staff who are employed as train conductors will not be authorised collectors, will check and sell tickets on board Penalty Fares Trains, but will provide a written penalty fares warning to any passenger who is liable to a penalty fare and will draw the passenger's attention to that warning. The wording of the written warning is as follows:

PENALTY FARE WARNING

When travelling from a Penalty Fare Station, within a Penalty Fares Area, you must buy your ticket (or obtain a permit to travel) before you board the train where ticket or permit issuing facilities are available. If you do not, then:

- If an Authorised Penalty Fares Collector is inspecting tickets you may be charged a £20 Penalty Fare or twice the appropriate full single fare to the next station stop, whichever is greater.
- If another member of ticket examination staff is inspecting tickets, you will only be sold a full-price standard single or return ticket. When a Penalty Fares Inspector is inspecting tickets no other member of ticket examination staff will sell tickets on board the train or at your destination station.

The Penalty Fare warning will be issued in one of two ways:

- On the reverse of an Avantix issued ticket, an extra ticket will be issued to any Passenger being sold a ticket, who is liable for a Penalty Fare (this is for auditing purposes).
- Ticket inspection staff that are not trained on how to use Avantix machine will issue a warning card.
- We have trained all the Train Team Managers and Team leaders and supplied them with the material for above. They in turn have trained on-train staff on one to one basis. Refresher training will be given as part of on train staff briefing process.

Both options above will be monitored by regular checks by supervisors and by mystery shoppers. Monitoring will be undertaken as part of the downloading process of AVANTIX machine at the end of each shift. A print can be obtained which details each ticket issued during the shift, the origin and destination, type of ticket and the fare paid. Additionally, the same printout identifies whether the Penalty Fare Warning ticket has been issued from the machine. Prints should be obtained according to locations.

Results of both monitoring processes will be recorded and be able to be audited. Arrangements will be made to ensure that all on-train staff are monitored at least once every 15 weeks. On-train staff found not to be issuing Penalty Fares Warnings will be initially re-briefed on the importance of their issue and subsequently if they continue to fail to use Penalty Fare Warnings, will be dealt with through the disciplinary procedure. Also Avantix tickets can be audited to ensure that an extra ticket had been issued.

11 Arrangements with Other Operators

The following table identifies each penalty fares station which is served by trains of other operators, and sets out the arrangements which we will make with other operators.

Station	Is there a CTA?	Also served by trains operated by:	Does this operator have a Penalty Fares Scheme?	Arrangements that will apply

Station	Is there a CTA?	Station GTR trains serve and operated by:	Does this operator have a Penalty Fares Scheme?	Arrangements that will apply
		LUL	Yes	A
Woolston	No	SWT Great Western	Yes No	E & F A

A - Passengers getting off this operator's trains will not be charged penalty fares, but will be dealt with in line with the current National Rail Conditions of Travel. It is normally possible to see who has got off this operator's trains from the place where checks are carried out. Passengers dealt with by East Coast staff will be issued a warning notice if they have been sold a ticket when the journey has been made within the GTR penalty fare scheme

B - Passengers joining or getting off this operator's trains will not be charged penalty fares. The trains of this operator use separate platforms, and ticket checks will only affect passengers on trains to which penalty fares apply.

C - Passengers joining or getting off this operator's trains will not be charged penalty fares.

D - Passengers who say they have got off this operator's trains (at or around the times when this operator's trains arrive) will not be charged a penalty fare. Only a few trains run by this operator serve this station on any given day.

E - Penalty fares will be charged to passengers getting off this operator's trains under the terms of that operator's scheme, as long as the authorised collector has been individually authorised to collect penalty fares on behalf of this operator. These authorised collectors will be trained in the details of the other operator's scheme, including the relevant discretion guidelines and how to confirm what ticket facilities are available at the penalty fares stations of the other operator. The identification carried by each authorised collector in line with rule 5 will show the names of the operators who he or she is authorised to collect penalty fares for.

F – We will authorise this operator's authorised collectors to charge penalty fares under this scheme on our behalf. These authorised collectors will be given details of this scheme, including the discretion guidelines and details of how to contact the Information Centre.

G - London Underground or London Overground operates a penalty fares scheme at these stations, but we will not issue penalty fares to their passengers and vice-versa at this station.

12 Appeals

12.1 All appeals against a penalty fare charged under this Penalty Fares Scheme will be handled by the Independent Penalty Fares Appeal Service (IPFAS), in line with the Penalty Fares Rules. Every passenger charged a penalty fare under this Penalty Fares Scheme will be made aware of their right to appeal. IPFAS' address will be shown on the penalty fare notice, together with details of how to make an appeal.

12.2 IPFAS will decide appeals in line with the code of practice approved by the Rail Regulator on 23 December 1997, as amended with the DfT's approval from time to

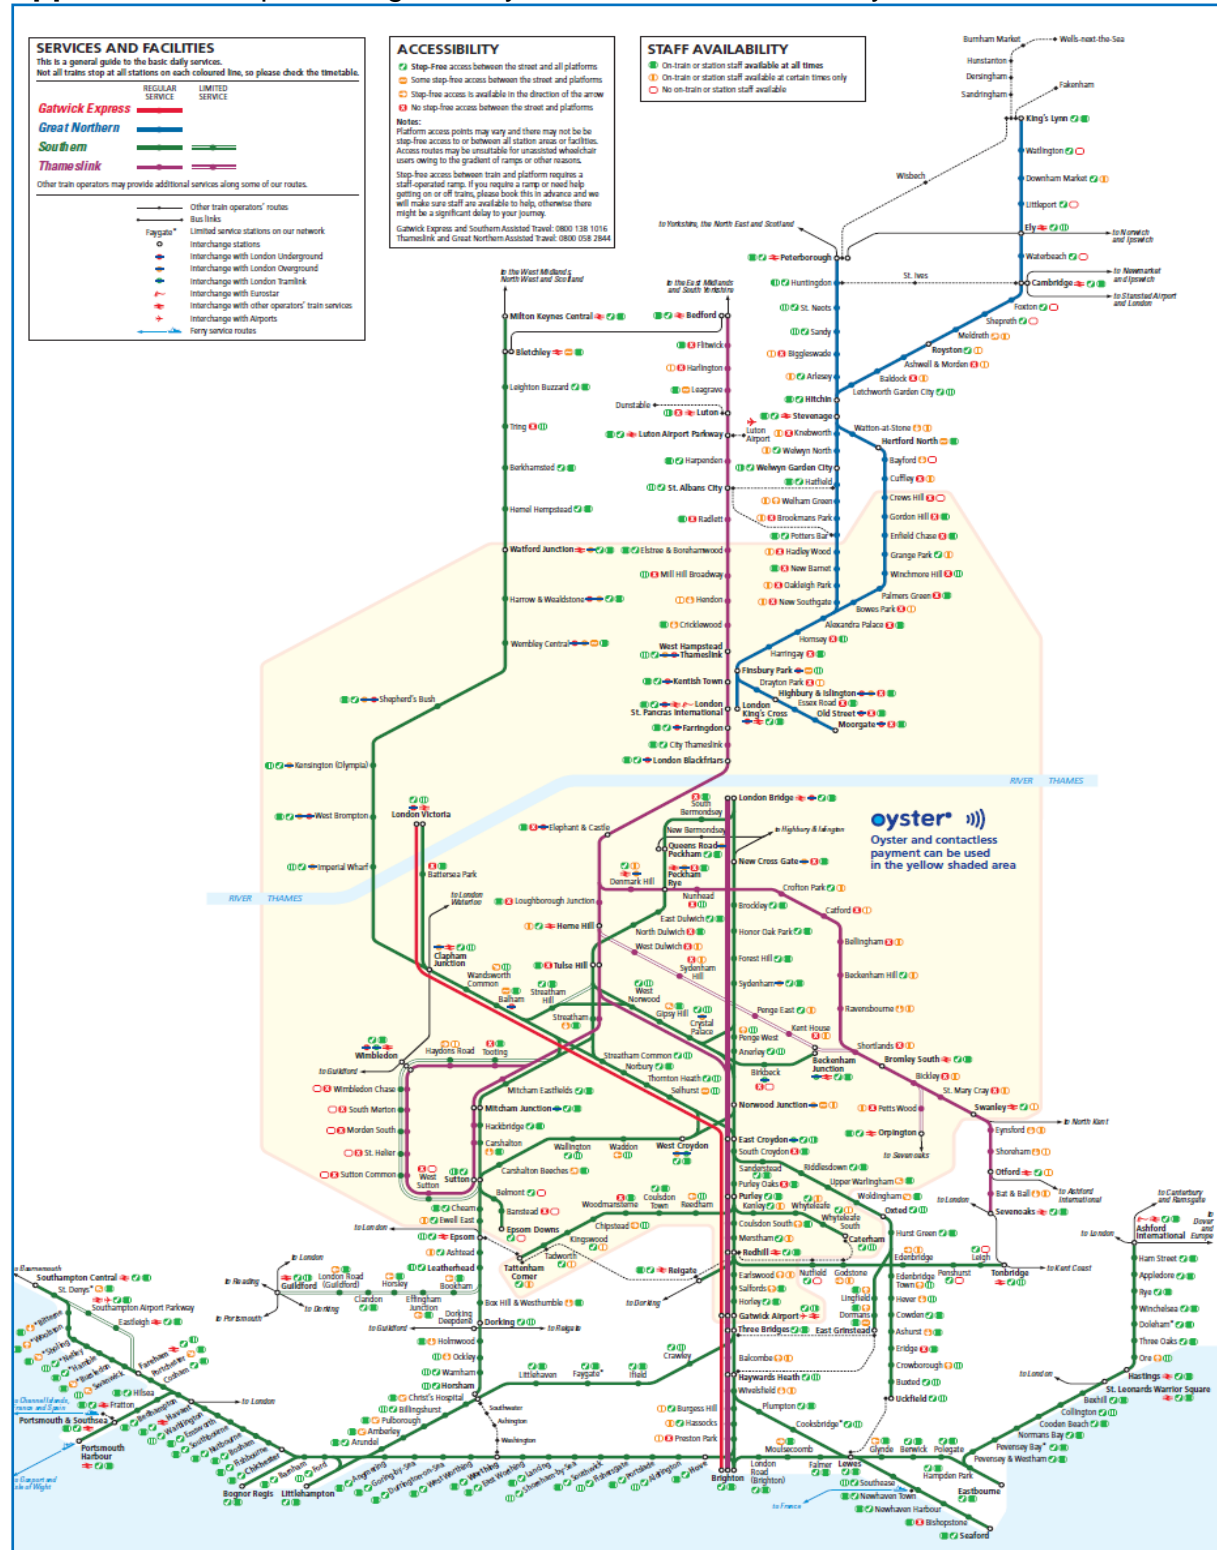

time. IPFAS will send passengers a copy of this code of practice if they ask. It is also available on the IPFAS website.

- 12.3 We will give IPFAS details of this Penalty Fares Scheme, including details of ticket facilities and ticket office opening hours, the instructions given to Authorised Collectors and guidelines for using discretion. We will tell IPFAS about any changes to this information promptly. We will give IPFAS the necessary contact details for the control centre, relevant managers and ticket offices so that they can investigate appeals. We will pay IPFAS a set fee for each appeal, whether or not the appeal is accepted.

Appendices

Appendix A	Map showing Penalty Fares Trains and Penalty Fares Stations.
Appendix B	Summary of the ticket facilities available at Penalty Fares Stations.
Appendix C	Wording of the notices telling passengers that a Penalty Fares Scheme will be introduced, which will be displayed in line with rule 3.4
Appendix D	Wording of the leaflet explaining the Penalty Fares Scheme.
Appendix E	Wording and design of the Penalty Fares warning notices which will be displayed at every Penalty Fares station and on board trains, in line with rule 4.
Appendix F	Wording and design of the identification for Authorised Collectors.
Appendix G	Wording and layout of the penalty fare receipts and notices (rule 8).

Key

‘Permit to travel’ machines (PERTIS): A machine which issues a ‘permit to travel’ giving the time, date and station when a passenger puts in any amount from 5p up to the fare to be paid. The permit must be exchanged for a ticket within two hours either on the train or at the destination or interchange station. The amount paid will be taken off the price charged for the ticket. ‘Permit to travel’ machines will be switched on by the ticket office staff when the ticket office closes.

Types of ticket machine:

‘Atos FAST cash and card’ - is a self-service ticket machine that sells a wide range of ticket types, to a wide range of destinations, and which accept coins, notes and credit/debit cards.

‘Atos FAST card only’ - A ticket machine which sells a wide range of tickets to a wide range of destinations, and which accepts only debit and credit cards.

‘Atos ToD Only’ A ticket machine which allows for the collection of tickets that have been purchased on-line (Ticket on Departure)

‘S&B Ticket XPress’ - A ticket machine which sells a wide range of ticket types, to a wide range of destinations, and which accepts credit and debit cards, coins and notes.

‘S&B ST|21’ A ticket machine which sells a wide range of tickets to a wide range of destinations, and which accepts only debit and credit

Machines that are placed in ticket halls and so can only be used when the ticket office is open are marked with a ‘*’.

Important: The number of ticket and PERTIS machines, and the ticket office opening hours shown above, are a minimum. We have the right to open the ticket office earlier or close it later, provide more ticket or PERTIS machines, or provide machines of a different type which offer the same or greater range of destinations, ticket types and methods of payment.

Appendix C - Wording of the notices telling passengers that a Penalty Fares Scheme will be introduced, which will be displayed in line with rule 3.4

Not applicable

GTR will be continuing with an existing Penalty Fares scheme and not introducing a new one. All notices provided will therefore be as per Appendix E.

Appendix D - Wording of the leaflet explaining the Penalty Fares Scheme

Do you have any questions?

For further information about Penalty Fares on Gatwick Express, Great Northern, Thameslink or Southern services please contact our Customer Relations team:

By telephone:

Gatwick Express: 0345 850 1530*
Southern Rail: 0345 127 2920*
Great Northern and Thameslink: 0345 026 4700*

By e-mail:

customerservices@thameslinkrailway.com

*All calls charged at national rate, calls may be recorded

This leaflet is intended as a guide and should not be regarded as a complete or authoritative statement of the law or regulations.
Other train operators may have their own Penalty Fares scheme, this leaflet only covers the stations served by Gatwick Express, Great Northern, Thameslink and Southern.

GTR-INFO-INFO-Penalty Fares Leaflet

What if I pay too much for my Permit to Travel?

When exchanging your permit to travel for a ticket, it is treated just like cash. Change will be given at the time.

What if I haven't got any change to buy a permit?

Just like a passenger must pay on boarding a bus, you are responsible for ensuring that you are carrying sufficient funds to purchase a permit to travel before travelling, otherwise you may have to pay a Penalty Fare.

What happens if I refuse to pay the Penalty Fare?

You will receive a reminder letter advising you of the outstanding sums owed to us. If you travel on the railway with intent to avoid payment of the fare then you may be prosecuted. The current maximum penalty upon conviction is £1000 fine and/or three months imprisonment.

Why are my name and address details required if I am paying in full?

You are required by law to provide your full name and address, even if you pay the Penalty Fare in full at the time of issue.

If there is a queue at the ticket office can I board the train without a valid ticket?

No. It is your responsibility to allow yourself reasonable time to buy a ticket before travelling. Automatic self-service ticket machines are provided at all stations as an additional method of ticket purchase. Tickets can also be bought in advance of travel from ticket offices, by phone or online.

What should I do if I have forgotten my season ticket and / or photocard?

You should buy a daily ticket to cover your journey before travelling. You may subsequently apply for a refund on this daily ticket at the ticket office where you bought your season ticket. Only two such refund applications will be considered in a 12 month period and you may be charged an admin fee.

What if I discover that I have forgotten my season ticket and / or photocard once I have boarded the train?

The authorised collectors will record details of your season ticket and your name and address on a pro-forma. You will then be issued you with an Authority to Travel for the single journey that you are undertaking at the time. You must send this together with a clear photocopy of your season ticket and photocard to the address shown on the Authority to Travel. Failure to return the Authority to Travel or making a false claim may lead to prosecution.

If I have a standard class ticket, in First Class, as the train is busy, will I receive a Penalty Fare?

As your ticket would not be valid in First Class accommodation you may have to pay a Penalty Fare of £20 or twice the First Class single fare (whichever is the greater) to the next stop, plus a First Class single from there to your destination. However, depending on the circumstances, you may be liable to prosecution instead. If you wish to travel First Class, then you must buy a First Class ticket or appropriate upgrade before travelling.

Penalty Fares information

This leaflet gives you advice about Penalty Fares for the following train operating companies:

November 2016

Gatwick Express, Great Northern, Thameslink and Southern operate a Penalty Fares scheme on all the routes they operate. You must buy a valid ticket (or permit to travel) for the journey you are making before you get on any of our trains. If you do not have a valid ticket or permit to travel, you may have to pay a Penalty Fare of £20 or twice the full single fare, whichever is the greater.

Examples of when a Penalty Fare may be charged

If you:

- Travel without a valid ticket or permit to travel
- Are unable to produce the appropriate railcard for a discounted ticket
- Travel in First Class accommodation with a standard ticket
- Travel on a child rate ticket when aged 16 or over
- Travel beyond the destination shown on the ticket
- Fail to touch in prior to travel, or travel on a line of route on which pay as you go is not valid

Gatwick Express, Great Northern, Thameslink and Southern operate a Penalty Fares scheme on all routes and at all stations. You must buy a valid ticket before you travel.

An explanation of Penalty Fares

The need to protect revenue

Reducing the number of people who travel without a ticket is not only in the interests of us, the operator, but also in the interest of our fare-paying passengers.

Few of us want to pay more for our tickets because some people avoid paying, and the loss of income due to people travelling without tickets reduces the money available to invest in a better rail service.

What are Penalty Fares?

If a passenger gets on a train without a ticket or permit to travel at a station where ticket facilities are available, they may be liable to pay a Penalty Fare. The penalty is the greater of £20 or twice the full single fare from the station where the passenger got on the train to the next station at which the train stops. If the passenger wants to travel beyond the next station they must also pay the relevant fare from that station to their final destination.

Remember

Where the facility to do so has been provided, **you must purchase a ticket or permit to travel before you travel.**

If you cannot produce a valid ticket or permit to travel for inspection when required, you may have to pay a Penalty Fare (minimum £20).

Frequently asked questions

If I do not buy a ticket before travelling, is it an automatic Penalty Fare?

You are responsible for ensuring that you purchase before travelling, a ticket or permit to travel that is valid for your entire journey, otherwise you may have to pay a Penalty Fare. Gatwick Express, Great Northern, Thameslink and Southern are responsible for ensuring that the facility to purchase a ticket or permit to travel is available.

Can I pay at my destination if I am in a rush?

If you board a train without a valid ticket or permit to travel, then you may have to pay a Penalty Fare. If it is shown that your intention was to avoid your fare, then you may be liable to prosecution.

What methods of payment can I use to pay a Penalty Fare?

You can use cash, Visa, MasterCard, American Express, Maestro or Delta. We **do not** accept Solo or Electron cards.

What if I am unable to pay the full amount of the Penalty Fare on the spot?

If you do not have the full amount, then you will be allowed to make a part payment of at least the full single fare; you then have 21 days to pay the remaining amount of the Penalty Fare. This can be done using the online facility on the Revenue Protection Support Services website or telephone payments centre. Details of how to do this are on the Penalty Fare notice.

Is there a right of appeal against a Penalty Fare?

If you wish to appeal against a Penalty Fare you must do this in writing within 21 days of the issue date and send it to the appeals address on the Penalty Fare notice. The appeals body adheres to an agreed Code of Practice (approved by the Department for Transport) in the assessment of all appeals. The Independent Penalty Fares Appeals Service will consider all the facts presented to them on appeal and notify the appellant of the outcome.

What if I want to buy a season ticket and the ticket office is closed, or the machine doesn't sell the ticket I want?

Self-service ticket machines sell most weekly season and Travelcard season tickets for journeys on Gatwick Express, Great Northern, Thameslink or Southern services. Monthly season ticket holders can renew their ticket provided their details are recorded in our database. If the required destination station is not listed on the ticket machine, then please purchase a single ticket to your interchange station or use the Permit to Travel machine (where provided). The cost of this ticket or Permit to Travel will be deducted from the cost of the ticket you require.

Appendix E – Wording and design of the Penalty Fares warning notices which will be displayed at every Penalty Fares station and on board trains, in line with rule 4

Poster Design

WARNING
Have you paid?

Please buy your ticket before you travel otherwise you may have to pay a **Penalty Fare (at least £20)**

If you cannot produce a valid ticket for your entire journey, or permit to travel when asked to do so you may be charged a Penalty Fare of £20 or twice the full single fare (whichever is the greater amount) to the next station at which your train stops. Also, you may be charged the full single fare to your destination if you continue your journey on the same train.

Buying your ticket

Please buy your ticket from the ticket office or the self service ticket machine (where available).

If the ticket office is closed and you cannot buy the ticket you want from a self service ticket machine, you must buy a Permit to Travel (where there is a machine available), paying as much of your fare as possible. A Permit to Travel is only valid for 2 hours and you must exchange it for a ticket as soon as possible.

Example of when a Penalty Fare may be charged

If you:

- Travel without a valid ticket
- Are unable to produce an appropriate Railcard for a discount ticket
- Travel in First Class accommodation with a Standard ticket
- Are aged 16 or over, travelling on a child rate ticket
- Travel beyond the destination on your ticket

For further information please pick up a copy of a Penalty Fares leaflet from your nearest staffed station.

You have the right to appeal

If you wish to appeal against this Penalty Fare notice you must do this within a period of 21 days commencing with the day on which this Penalty Fare notice was issued. You must send a relevant statement in writing to:

IPFAS, PO Box 30, Portsmouth PO1 1ER

Your appeal should include the following:

- A copy of this notice
- That the penalty notice received was issued by Govia Thameslink Railway
- The reason why you could not produce a valid ticket or authority to travel when requested
- Where you started your journey
- The time and date you were travelling
- Any other relevant information
- Any other documentation relevant to your appeal (i.e. Tickets, Railcard, Oyster records)

The sending of an appeal does not negate your liability to pay the outstanding amount by the date specified

This Penalty Fare notice / receipt is given in accordance with the Penalty Fare Rules 2002 and is an authority to finish the single journey only as detailed in section 1.

A copy of the rules and a summary of the approved Penalty Fare scheme are available from the address on the reverse of this notice.

I am employed by, or act as an agent of Govia Thameslink Railway Ltd and I am an authorised collector. I give details above in the full knowledge that they may be used in evidence and are to the best of my knowledge and belief a true reflection of the facts. I understand I shall be liable to prosecution if I have wilfully stated in anything which I know to be false or do not believe to be true.

Frequently asked questions

1. Why have I been issued with a Penalty Fare notice?

A Penalty Fare notice has been issued because when required by an authorised collector you were unable to show a valid ticket for your entire journey having travelled from a Penalty Fare station where ticket issuing facilities were available.

2. What happens now?

To enable us to issue the Penalty Fare notice you will have been asked details about your journey and for your name and address.

3. How much do I have to pay?

The Penalty Fare amount outstanding is stated on the front of this notice. The minimum you must pay at the time of issue is the full single fare for the journey you have made. If you do not pay the outstanding amount within 21 days, an administration fee of £20 will be charged and legal proceedings may be brought against you. This is separate from any appeal you may wish to make. The amount outstanding may be paid by cheque / postal order, made payable to RPSS, or by credit / debit card using the slip below.

Please send your payment with the entire Penalty Fare notice to:

RPSS, PO Box 89, Portsmouth, PO1 1EG

4. Why was I able to buy a ticket from the Conductor yesterday, but today I am being issued a Penalty Fare notice?

Conductors are not authorised to issue a Penalty Fare notice, however the tickets that they issue do carry a warning explaining that where possible tickets should be bought before travelling otherwise you could be subject to Penalty Fare notice, if stopped by an authorised collector.

5. Why have I been issued with a Penalty Fare notice when travelling in First Class when there were no seats available in Standard Class and I would have paid the upgrade?

Whilst we appreciate that it can be tempting to travel in First Class accommodation in this situation we have to be fair to our first class ticket holders. Consequently upgrades must be made to your standard ticket before you travel.

6. How do I appeal against your decision?

If you believe we have made a mistake you may wish to appeal against the issue of the Penalty Fare notice.

To appeal you should write to the Independent Penalty Fares Appeal Service at the following address, stating your reason for appeal: **IPFAS, PO Box 30, Portsmouth, PO1 1ER**

Appeals must be received within 21 days from the date of issue. The appeals body will aim to answer your appeal within 10 working days. The sending of an appeal does not negate your liability to pay the outstanding amount by the date specified.

7. What will happen if I don't pay the Penalty Fare?

If you don't pay all monies owing by the date shown you will receive a reminder letter advising of the outstanding sums owing to us including any administration fee. If the amount remains outstanding you may be prosecuted under criminal law. The current maximum penalty upon conviction is £1000 fine and / or 3 months in prison.

8. How can I avoid getting another Penalty Fare notice in the future?

To avoid receiving another Penalty Fare, please purchase a valid daily ticket or season ticket prior to travelling and ensure that you keep it with you for your entire journey. Tickets can be purchased at the following places:

- Any ticket office
- Any Gatwick Express, Great Northern, Southern or Thameslink self-service ticket machine
- gatwickexpress.com
- greatnorthernrail.com
- southernrailway.com
- thameslinkrailway.com

If the ticket office is closed and the self service ticket machine is not available, you should purchase a permit to travel from the permit to travel machine. Insert the maximum amount of coins that you have to the value of your journey.

A permit to travel is only valid for 2 hours, during which time you should pay any difference in fare at first opportunity.

Permit to travel machine are normally switched on when the ticket office is closed, or where no ticket office is available.

9. How can I obtain a copy of the Penalty Fare Rules and summary of the approved Penalty Fares scheme?

A copy of the rules and a summary of the approved Penalty Fares scheme is available from:
