You asked:

I kindly request some information/data regarding the following aspects of admissions for the Economics undergraduate course, specifically regarding gap year applicants for the last 6 years of admission.

Please could you provide the following information per college for entry in 2017, 2016, 2015, 2014, 2013 and 2012 in a table format:

- 1. Total number of gap year applicants, number offered interviews and number receiving offers*
- 2. Total number of gap year applicants offering A levels as their highest qualification, number offered interviews and number receiving offers*
- 3. Total number of domestic gap year applicants, number offered interviews and number receiving offers*
- 4. The breakdown of subjects offered by each gap year applicant and grade achieved for each subject, number offered interviews and number receiving offers*
- 5. An indication beside each gap year applicant of ECAA score, number offered interviews and number receiving offers.*
- 6. Total number of gap year students with Further Maths to AS level only that apply, number that receive interviews, and number that receive offers.*

The information requested is attached insofar as it is held. The University does not hold records of who is invited for an interview as they are arranged by the individual Colleges, each of which is a separate legal entity and public authority under the Act. We have interpreted 'gap year applicants' to mean post-qualification applicants.
