Date: 06 April 2016 10:17:10

Thanks [REDACTED]. This is helpful, esp if it is dealing with the long-awaited cycling changes to Delamere Terrace. Please also ignore my idiocy about the date (confusing different Fridays)- I can actually make that date/time but my colleagues are unlikely to be able to. Were it to be after working hours this might be possible for them.

Best regards and many thanks

Adam

Dear Adam,

Sustrans is leading a proposal on behalf of TfL to make pedestrian and cycling improvements along the canal tow path and other adjacent public spaces from Paddington to Uxbridge. Crucial to the route is the connection in Westminster via Westbourne Green Park and Delamere Terrace. Sustrans would like to understand if this is a scheme that would be accepted in principle by Westminster before the scheme is presented formally as a viable option and progressed into further stages of consultation and feasibility.

I have spoken to Councillor Melvyn Caplan yesterday to clarify that the scheme proposals are solely within the Westbourne Ward.

I have previously met with the Canals and Rivers Trust and they are very supportive of the scheme and the improvements to the tow path.

Please contact me for further information.

Regards,

Dear [REDACTED]

Can you please give me some greater clarity on what you are examining? I can't do 10am on Friday as I have my meeting with the Chief Exec but could do the afternoon or evening (the latter might enable other ward cllrs to attend). Many thanks

Dear Councillors

Councillor Heather Acton is proposing a site visit with WCC officers to talk through potential public realm improvements that have been proposed for Delamere Terrace and Westbourne Green Park, which will link in with the current proposal of Quietway Grand Union Canal.

The proposed time is 10am on Friday 15th April, meeting at Westbourne Green Park on the corner of Lord Hills Road and Delamere Terrace. Please let me know if you are able to attend.

[REDACTED] (cc'd) is the lead officer from WCC and will be able to answer any questions beforehand.

Many thanks
