

Monthly/Ad-hoc request application form

The aim of applications made by Home Office (HO) is to establish if the Department for Education (DfE) hold information that may/ will support the Home Office/Absconder Tracing Team's (NATT) key objectives and commitment to upholding a duty of care for missing children and abuse of immigration control through the following five objectives:

- Re-establish contact with families the HO has lost contact with
- To protect the interests and safety of any child
- To reduce harm resulting from abuse of immigration control.
- Combat illegal migrant working and those that benefit from it.
- Create a hostile environment for those who seek to benefit from abuse of immigration control

A Memorandum of Understanding (MoU) that sets out the high level agreement between the HO and DfE has been agreed and put in place.
