Dear Mr Harris

### **Freedom of Information Act 2000**

We can confirm that the information requested is held by Brighton & Hove City Council. I have detailed below the information that is being released to you.

Thank you for your recent request regarding asbestos in 3-5 Percival Terrace.

***Can you council confirm the details of all works related to Asbestos taken out in this property?***

The asbestos management plan for Percival Terrace include interior: hallways and rooms, electrical cupboards and fuse box enclosures. There is no record of asbestos being removed from the property.

***Can the council confirm whether any works for asbestos have taken place specifically in room 24? and if so what were those works?***

There is no record of any asbestos works being carried out specifically in Room 24

***Can the council confirm that the ceilings in this property are all free from asbestos? (I note there have been ceiling partial collapses in the past).***

The period ceilings would be lath and plaster; and the ceilings painted, altered or replaced as part of the 2013 refurbishment of the property would be compliant with the standards in place at that time.

We can make further enquiries with the landlord if there is any specific concern relating to Room 24.

Please quote the reference number 728134 in any future communications.
