Notes

1. Information is from the City Council main financial system as advised by the school.
2. Data is for costs coded to CFR category 'E26 Agency Supply Staff'.
3. CFR is 'Consistent Financial Reporting' which is a framework that summarises school level financial information into headings aimed at meeting the needs of all users. CFR is a mandatory framework that schools must follow nationally.
4. Supplier details are not available from the City Council main financial system. Schools would need to be contacted individually for this as they have their own bank accounts and pay suppliers directly.
Leicester City Council does not hold the information. This letter acts as a refusal notice under section 17.1 of the Freedom of Information Act 2000 because, in accordance with section 1.1 of the Act, the information is not available.
