Dear Mr Bedi

Request under the Freedom of Information (Scotland) Act 2002

Thank you for your email received on 14th June 2017 requesting that the following information be provided to you: Please note the response follows immediately from each question. The council is treating your request as a request under the Freedom of Information (Scotland) Act 2002. The response is as follows:

"I would like to understand whether BT has deployed any small cells in Glasgow using council assets (lamp posts etc.) and if so, how many sites/nodes it has deployed and which mobile operators have taken up BT's solution.

- 27 Council structures have been deployed;

- Small cell work stream is being managed by BT Wholesale & Ventures but we are not aware of any small cells being deployed to date by any mobile operator. Nick Burgess for Vodafone and Stephen Bryan for O2 are the contacts looking after small cell work;

"In addition, please advise whether BT has exclusivity over the street assets, how long that exclusivity will last and whether the concession will be retendered."

- BT has exclusivity over the street assets. A 10 year concession was agreed which expires in 2024.

Please also find attached Coverage maps for your information.

The council accordingly feels that it has complied as far as it can with your request.
