Joanna Iatridou

Reference: FOI Case Number 15468

21 September 2010

Dear Ms. Iatridou

I am writing in response to your email of 9 August requesting that a search of the ILEF Less-Lethal Weapons database is made regarding Directed Energy Weapons. Your request has been handled as a request for information under the Freedom of Information Act 2000.

We have searched the ILEF database and can find no less lethal weapons that meet your description. A search on a separate data table we keep on Directed Energy Weapons has yielded the attached list of weapons. Links to further information on each weapon has been included where this is available. I hope this is helpful.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to the address below, quoting reference 15468. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response

Yours sincerely
