Dear Mr Lawrence,

Your request was received on 16 August 2017 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

In the latest application round (for 2017 entry), what was the first quintile, second quintile, third quintile, fourth quintile, fifth quintile, median and mean UMS (as a percentage) in AS Maths (including Further Maths) for those who received offers?

The information is attached. Please note that the information includes UMS for Maths AS *and* A Levels rather than just the AS Levels. We have no way to separate out the AS values but, as the data is provided at the point of application, the vast majority of this UMS data will relate to AS Levels. The attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registry's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Notes	Application Year	Figures are grouped by UCAS application year. The 2017 application year ran from applications opening in September 2016 to Confirmation in August 2017.
	Entry Year	Figures are grouped by entry year. The 2017 entry year includes standard entry applications from the 2017 application round and deferred entry applications from the 2015/2016 rounds.
	UMS	A Levels in England are currently undergoing a period of significant reform. Many applicants applying from October 2016 onwards will be following linear, rather than modular, A level syllabuses meaning that UMS is no longer available in a number of subjects (although Mathematics currently remains modular). UMS data provided in this request is as supplied by the applicant at the point of application.
