

**Please note the information supplied is only for community schools.**

**All other schools should be contacted directly.**

**Limited information is available for community schools not within the maintenance package supplied by the council.**

1. The amount of money spent on asbestos management in schools between 2006 and 2016?

(To include the costs of surveys, staff training and work to enclose asbestos within schools).

**Between April 2012 and January 2017 the cost of surveys, re-inspections, consultancy, air monitoring and sample analysis was £388,904.**

**Information not held prior to April 2012.**

2. The amount of money spent on asbestos removal from schools between 2006 and 2016?

**Between April 2012 and January 2017 the cost of specific asbestos remedial work, directly procured by the Council, was £25,580.**

**This does not include costs of asbestos removal as part of larger building projects, managed through a principal contractor, as we do not hold itemised data to this level.**

3. The amount of money spent on fines for breaches in the safe management of asbestos in schools between 2006 and 2016?

**0**

4. Funding sought from the Department of Education and the Education Funding Authority for the management and removal of asbestos from schools between 2006 and 2016?

**Information not held – this is because the DfE do not offer a dedicated funding source for the management or removal of asbestos in schools.**

<p>5. The amount of funding approved by the Department of Education and the Education Funding Authority for the management and removal of asbestos from schools between 2006 and 2016?</p>	<p><b>Information not held – this is because the DfE do not offer a dedicated funding source for the management or removal of asbestos in schools.</b></p>
<p>6. The projected budget for future management of asbestos in schools between 2017 and 2027?</p>	<p><b>Information not held – this is because the DfE do not offer a dedicated funding source for the management or removal of asbestos in schools.</b></p>
