EHC School

Please can you provide me with the name of the current educational placement (school) of young people 16 years of age and under with educational health care (ehc) plans or statements?

I would be grateful if you could send your response in csv. or Excel format within the 20 day reply period.

Please find attached a spreadsheet, containing the names of schools where there are children on roll, aged 16 or under, with an Education Health and Care Plan or Statement of Special Educational Need.

You are advised that ANY school in Cambridgeshire could have children on roll with an EHCP, if the child meets criteria, statutory assessment carried out and a plan awarded after that assessment.

Therefore, this list is correct as of the 8th November 2017.
