Dear Mr Forks,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 31 October 2017 timed 14:17 hours, requesting the following information:

I am conducting a research product in order to ascertain the total number of Library fines that were paid at universities in the UK.

I am therefore writing to ask about library fines during the academic year 2016/2017, under the Freedom of Information Act. For the time period starting from the first day of term, covering the next 364 days (e.g. one full year), please provide:

1. The total amount of money the library received from the payment of overdue items. Exclude costs of replacing lost books if possible – this request solely relates to the cost of items that are returned later than their due date.

As the University of Glasgow is a Scottish Public Authority, your request is subject to the terms of the Freedom of Information (Scotland) Act 2002 (“FOISA”). The University acknowledges receipt of your request and confirms a response will be sent to you promptly; and in any event not later than **28 November 2017**. The Freedom of Information Office will contact you if we require any further information.

Yours sincerely,

Data Protection and Freedom of Information Office
