MINISTERS' GIFTS (RECEIVED AND GIVEN)

Guidance on giving and receiving gifts is set out in section 7 of the Ministerial Code.

Gifts given or received over £140

- ❖ Departments need to provide details of gifts given or received by Ministers valued at more than £140 only.
- ❖ Where it is difficult to estimate the cost or value of a gift, or it would be sensitive to disclose the value, please use "above limit"
- ❖ If there are a number of lower value gifts given by the same individual/ organisation and the total value exceeds £140, departments should combine and publish as one entry. Where a number of gifts are received a general description of the items should be provided rather than listing each one individually.
- ❖ Where a gift is given by an individual on behalf of an organisation, the organisation's name rather than the individual's name should normally be included.
- ❖ Departments need to confirm the 'outcome' in respect of each gift. This will state whether a gift is 'held by the department', 'purchased by the Minister' or 'used for official entertainment' (this usually when the gift received includes perishable goods or wine/alcohol). Please use the drop down menu in the template.
- ❖ Tickets to sporting, theatre and other events should be shown as **hospitality received**.
- ❖ **DO NOT** include gifts received in a Constituency or Party capacity.

**MINISTERS' MEETINGS WITH EXTERNAL ORGANISATIONS AND INDIVIDUALS
(INCLUDING MEETINGS WITH NEWSPAPER AND OTHER MEDIA PROPRIETORS,
EDITORS AND SENIOR EXECUTIVES)**

Guidance on Ministers' meetings with external organisations is set out in paragraph 8.14 of the Ministerial Code.

Previous administrations including the current Government have stated that all Ministers will be open about its links with the media. All meetings with newspaper and other media proprietors, editors and senior executives will be published quarterly regardless of the purpose of the meeting.

Therefore, meetings with people within this category should be recorded regardless of whether it was in an **official**, **political** or **social** capacity.

General

What is an external organisation?

- ❖ An external organisation means any group, company, organisation or individual person external to Government. Constituency meetings should not be included unless they have an impact on the Ministerial role or ministerial decisions are made. Cabinet Office Propriety and Ethics Team can provide advice in cases of doubt.
- ❖ The name of the external organisation meeting the Minister should be provided. Where a meeting was with an individual not connected with an organisation the name of the individual should be provided.

Departments should include:

- ❖ The date the meeting took place this should include the exact date not just the month in the YYYY-MM-DD format.
- ❖ The name of the organisation meeting the Minister rather than the name of individuals who represented the company /organisation, except for meetings with Media and Executives as set out below, in which case the individual must be named.
- ❖ Ministers' meetings with external organisations at Party conferences will generally be in a political capacity so there is no need to normally declare these. However, if Ministers exceptionally hold meetings in the margins of Party conference in an official ministerial capacity then they should be recorded and published in the normal way.

- ❖ Departments should make every effort to provide details on the purpose of the meeting. ‘General Discussion’ should not normally be used.
- ❖ Where hospitality was provided as part of a meeting for example working lunch/breakfast), this should be listed under ‘hospitality received’.
- ❖ Where a Minister meets with multiple organisations (e.g. a roundtable) they may list each organisation separately or use a collective name instead.
- ❖ Where MPs attend meetings with their constituents then this should be included and referenced as “Meeting with Constituents”, rather than the name of individual constituents.
- ❖ If a Minister attended the same meeting as a Ministerial colleague in another department you should check with the relevant Private Office in the other Department and ensure the purpose of the meeting is consistent for both entries. There is no need to state ‘attended with [name of other Minister]’.
- ❖ Meetings with external organisations held by Ministers in the course of visits (including visits overseas) should be included (generally visits on their own are not included).

Ministers’ Meetings with Senior Figures i.e newspaper and other media proprietors, editors and senior executives, the names of the attendees and the organisation they represent rather than their role should be included.

	<u>Proprietors</u>	<u>Editors</u>	<u>Senior Executives</u>
Newspapers (including Regional Publications)	Chair/ Owner	The Editor Senior Editorial Staff including Political, Business, and Economic Editors	CEOs
Broadcasters (Including Regional Broadcasters)	Chair/ Owner	Senior Editorial Staff including Political, Business, and Economic Editors Channel Controllers Directors of Programming Radio Controllers	Director Generals CEOs

- ❖ Departments should include Ministers' meetings with newspapers and other media proprietors, broadcasters and corporate senior executives (as set out above) whether they are held in an **official, social and political capacity**.
- ❖ **Official** meetings with individuals from media organisations operating below Editorial or Senior Figure Level (as set out in the table above should be included but shown as the name of the organisation only.
- ❖ Where hospitality was provided by a media organisation this should be included in the hospitality return, following the principles above (see Annex B).
- ❖ If Ministers are simply at the same event as a senior media figure, such as a reception, and do not have a 'sit down meeting' with them this does not need to be included.

Departments should not normally include:

- ❖ Whether a meeting is a meeting should be decided on a case-by-case basis, but visits, attendance at seminars, conferences, receptions, media interviews etc. would not normally be classed as meetings. If a Minister took an active role in a seminar then you may wish to consider including it.
- ❖ Meetings with Government bodies such as other Government Departments, NDPBs, Non-Ministerial Departments, Members of the Royal household, Agencies, Government reviews or representatives of Parliament, devolved or foreign governments. If any of the above attend alongside a wider meeting of stakeholders then this should be included.
- ❖ Meetings with organisations contracted to provide services to departments (e.g. head-hunters, IT providers or facilities contractors).
- ❖ Departmental Non-Executive Directors unless in the capacity of other non-Government roles they may hold.
