Dear Ms Darling

**Internal Review of FOI request 2018/039**

Thank you for your request for an internal review of our response to your request for information about the Graduate school cost centre used by City.

The Graduate school cost code is AV526. It should be noted that the bursaries are not coded to one cost code. They are charged and paid out of numerous codes within all 5 schools.

If you are dissatisfied with the outcome of my decision, you have a right of appeal to the Information Commissioner's Office. Details follow for ease of reference.
