Dear K Johnson,

Your request was received on 6 July 2018 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

For 2017/18 entry please provide the top 10 most popular destinations for undergraduate offer holders who received an offer but did not accept it, broken down by the school/faculty they applied to (i.e. the top 10 most popular institutions the undergraduate applicants went to instead of Cambridge) and an aggregate of this result.

The requested information is attached – we have provided complete data on all unaccepted offers. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
