### **Vacant Sites**

#### **Request details**

I would like to know a full list of Vacant Properties held by your organisation and any of its subsidiaries.

If possible their market value for sale or to let, whether they would be considered for a community asset transfer, if not then whether they are for sale or to let. In a clear and easy to read format. It would be supportive if the property is for sale or to let that it is listed on here too: <https://e-pims.cabinetoffice.gov.uk/government-property-finder/Home.aspx> and that you inform us of this intention or such listing in the request.

#### **Response details**

When a site is vacated, it is due to a wider service plan. These plans allow for the re-provision of services and the ongoing strategy of declaring a site surplus and the disposal if necessary. At this point in time, Whitchurch Hospital is vacant pending disposal. While the disposal is dependent upon some wider confidential influences, the UHB has put measures in place to secure the site on a day to day basis. There are no other vacant sites.
