Dear [REDACTED]

With reference to your application, number WONS/10944/0/RC/1 Version 1 dated 19 March 2018 ('Application'), the Oil and Gas Authority gives its approval pursuant to Clause 22(3) of the Licence to carry out Completion Work (as defined in Clause 22(3)) in accordance with the programme of Completion Work as contained in your

'OGA HH-1 Re-Completion Application - Supplemental Information' dated 10 April 2018 as submitted in support of the Application in respect of the LANDWARD well with designated OGA Well Registration Number: LR/24-4.

This approval is given subject to the condition that you are required to notify this office, at the earliest opportunity, of the commencement of the Completion Work and again on the completion of the Completion Work.

We remind you that separate applications are required for consents or approvals, as set out in the Licence and relevant legislation, for any activity not specifically covered by this approval. We further remind you of the jurisdiction of other regulators in relation to the proposed operations and that it is your responsibility to ensure compliance with relevant statutory requirements.

This consent shall remain in force for a period of one year, commencing upon the date of this consent.

Yours faithfully

SENIOR GEOSCIENCE DATA MANAGER
