Dear Ms Lopez

I am replying to your Freedom of Information request to Sidney Sussex College, Cambridge University, which was received on 17 September 2018.

For clarity, below is your original request.

I am making a request regarding the statistics for History (V100) undergraduate applicants in the recent 2018 cycle.

Please provide for each applicant the following data in a single table with one row per applicant (if applicants cannot be named, please use an anonymised candidate identification number for each candidate), and columns contain the following data:

- *the applicant's score in section 1 of the History Admissions Assessment (HAA)*
- *the applicant's score in section 2 of the History Admissions Assessment (HAA)*
- * each interview score (eg. if there are two interviewers, then two columns, 1-10)*
- * a yes/no to indicate if offer was made*

Please see attached an excel spreadsheet which sets out the aggregated data you requested. Individual level data is not presented in order to comply with data protection requirements.

I hope that this answers your questions. If you have any queries please do not hesitate to contact me. Alternatively, you can request a review by our FOI Review Officer, Mr Nick Allen nga23@sid.cam.ac.uk.

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'Sarah Bonnett'.
