Dear Zhun El-Ely

Thank you for your enquiry.

I would like to request copies of the original mark schemes used by examiners for Further Maths A-level 9231 in the years 2002-2008. This means a copy of the mark scheme used by examiners to mark papers.

We have already responded to this request in our previous response dated 12 October. Although your request is for the original mark schemes, rather than the published mark schemes, we are satisfied that there is no substantial difference in the documents you are requesting and that you can obtain them by contacting our Archives team at archives@cambridgeassessment.org.uk.

I would also like to request any and all correspondence between examiners/paper setters/principal examiners in regards to the aforementioned A-level that you may hold.

The advice given to our examiners is to return or delete anything containing confidential information at the end of their contracts. As our script repository was not in place during this time any information returned to us would not have been kept. We are therefore unable to provide you with the information you have requested.

If you are dissatisfied with the handling of your request, you can ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original request and should be addressed to:
