Dear Mr Carroll,

Re: Freedom of Information Request – Site licenses in Tividale

Further to your enquiry, please find detailed as follows information in response to your recent Freedom of Information Request.

1. *Please provide by electronic means the full site licenses SL 129 Duport Properties Limited Rattlechain Tip Tividale and also the subsequent amendment to enable work to be carried out as recommended by consultant hydrogeologist, to alleviate problem with polluted spings.*

A copy of SL129 (inclusive of amendments) is attached in PDF format.

2. *Could you also provide the full site license for SL113 Birlee Industrial Limited, Rose Lane Tividale?*

A copy of SL113 is attached in PDF format.

3. *Unless otherwise stated in the site licenses could you also provide a summary of when these licenses may have been surrendered and the site remediated, or conveniently not and the reasons for this?*

- i). Site licences SL129 and SL113 are noted to have been issued by West Midlands County Council. This Division has no records regarding the surrender of the licences.

Environmental Health
Communities and Regulatory Services Division
Paul Wright, Head of Communities and Regulatory Services
PO Box 42, Lombard Street, West Bromwich, West Midlands, B70 8RU
Fax: 0121 569 6599

- ii). The area to which SL129 pertains is noted to be undeveloped at this time and the Division has no record of what works might have been undertaken in relation to this Licence.
- iii). The area to which SL113 related has been largely developed for residential use. It is understood that development occurred in the 1980's in accordance with the requirements of the planning regime.

I trust that this response provides sufficient information in relation to your request.

Yours sincerely,

Richard Norton
Environmental Protection Manager
