Dear Mr Ali,

Thank you for your enquiry of 10 October in which you requested information on asylum seekers. Your request has been handled as a request for information under the Freedom of Information Act 2000.

Information Requested

I kindly request you to please can you provide Data for the year 2016 to 2018 regarding Failed asylum seekers ,those were granted DL outside the immigration, and later on they travelled back to their home countries during their DL, despite they mentioned in their asylum application they have fear of persecution in their home countries.

And the data of those failed asylum seekers have been granted indefinite leave on completing their DL periods despite they travel back to their home countries.

Response

The Home Office does not hold the information which you have requested. We do not record where individuals applying for asylum travel to during periods of DL, so we are therefore unable to provide information for any part of your request.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to foirequests@homeoffice.gsi.gov.uk, quoting reference 50557. If you ask for an

internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review the Department's handling of your information request will be reassessed by staff not involved in providing you with this response. If you remain dissatisfied after this internal review, you would have a right of complaint to the Information Commissioner as established by section 50 of the Freedom of Information Act.

Yours sincerely
