

Dear Azar,

The top score was 413, the lowest overall pass mark was 239. The median pass mark was 299. The first quartile of marks went from 413 to 323, and the third quartile went from 299 to 284. This is shown in the distribution graph below.

After the CAF deadline, the London Borough of Sutton advise us who has named the school on the CAF. We will then rank the candidates according to their score and distance to the school.

Kind regards,

Admissions
