Subject: Dead Birds - Brooke Vale Park

Dear [REDACTED]

As discussed yesterday, would it be possible to remove all the dead birds from the lake each morning/afternoon on the same day.

Paddy is reporting dead birds every day, and having dead birds floating around the lake generates more complaints from the members of the public/RSPCA.

The Dog Wardens will pick up the dead birds away to be incinerated once out the lake.

Kind regards

[REDACTED]
