Notes	Apply Year	Figures are grouped by UCAS application year. The 2018 application year ran from applications opening in September 2017 to Confirmation in August 2018.
	Domicile	Domicile information is based on the Area of Permanent Residence declared by applicants at UCAS.
	School Sector/Type	School sector is determined from data provided by UCAS and DfE.
	Additional	The 'Other and Overseas' category consists largely of applicants at schools and colleges outside the UK, but includes applicants from a variety of non-school/college institutions within the UK. Academies in England are counted within the Comprehensive School category if their admissions policy is non-selective, or the Grammar School category if their admissions policy is selective.
