Non-Competed Grant Request Form

Request Title:		NHS England – Code 4 Health & Open Source Programmes Grant Aid
Date of request:		13/11/2014
Contact Details of Requester:	Name	[REDACTED]
	Email	[REDACTED]
	Department	Patients & Information, Strategic Systems & Technology
Brief description of Grant:		<p>This Business Case seeks approval to Grant award to not for profit organisations to drive the development and delivery of the IDCR Open Source and Code 4 Health (Powered by HANDI-HOPD) Strategy.</p> <p>Specific outputs relate to delivering;</p> <ul style="list-style-type: none"> - Supporting the OpenEyes Foundation - Supporting the OpenMaxims CIC - Supporting consortia of Trusts re-procuring PACS - Proof of Concept Open Source ePrescribing product - Proof of Concept Open Source Mental Health EPR <p>Proof of Concept Open Source Interoperability Tools </p>
Reasons for the NCG request, rather than competing the requirement:		<p>NHS England will be supporting NHS Trusts to establish CICs in line with Gov.UK guidelines (https://www.gov.uk/set-up-a-social-enterprise) where Community Interest Statements and Asset Locks are approved by the CIC regulator.</p> <p>NHS England is a commissioning board and therefore is commissioning these not for profit organisations to provide custodianship and delivery services to the member NHS Trusts for the Integrated Digital Care Record Open Source Programme, Code 4 Health and directly addresses the imminent demands from front line NHS staff that are required to determine their technology requirements and interactions with the market place and suppliers.</p> <p>The NCG request is therefore on the grounds that the receiving bodies are bespoke not for profit Community Interest Companies established by NHS organisations (Trusts) to support the introduction of Open Source solutions within their community. </p>
